BRITISH-FRENCH AIR CO-OPERATION IS ARRANGED

China's Life-line Railway Is Menaced By Japanese Gains

Invaders Claim They Are Now Only 10 Miles From Lunghai Tracks

Troop Trains Are Bombed By Fliers

SHANGHAI (AP)—A Japanese army spokesman said Thursday the south Shantung army had fought to within 10 miles of the Lunghai railway.

The penetration was at points between the Grand Canal and Pihshien and south of Tancheng, he said. Earlier the Japanese had claimed a "wide hole" blasted in the Chinese lines in that sector, some 50 miles east of Su-chow, and their artillery was within range of the east-west railway on which the Chinese depend for transportation to their 500-mile-long Yellow River defences.

Japanese sought to prevent fresh Chinese reinforcements reaching the area. They bombed extensively along the Lunghai railway, and reported doing much damage to troop trains moving east toward the battle zone.

On another front, in central Anhwei province, Japanese reported the capture of Hanshaw, 50 miles southwest of Nanking and 30 miles northwest of Wuju.

A fresh Japanese offensive also was reported started in the far northwestern province of Suiyuan province with the capture of Anpei, 50 miles northwest of their previous advance.

U.S. Ready To Build Warships

Bids To Be Called Soon On Two Battleships and Other Craft

WASHINGTON (AP)—The United States navy, armed with a record peace-time \$546,866,494 appropriation, prepared today to ask bids with a minimum of delay on two more battleships and a score of other craft.

President Roosevelt yesterday signed the regular appropriation bill for the next fiscal year, providing \$140,000,000 to start work on the 22 new craft and continue construction of some 60 others.

Detailed designs of the battleships are complete, officials said.

Fleet Withdraws So Battle Avoided

Queen's Mother Is Ill in London

LONDON (CP-Havas)—Queen Elizabeth's mother, the Countess of Strathmore, taken suddenly ill here Wednesday, today was reported "a little better." Her condition is not serious, doctors said. Lady Strathmore is 76.

THE WEATHER

VICTORIA, 8 a.m. today—Pressure is relatively high over southern British Columbia, but falling with the approach of a storm on the north coast. The weather has been fair and moderately warm throughout this province and temperature is moderate on the prairie.

Ten Canadians Killed In Spain

Three Vancouver Men Dead and 12 Among Missing Mac-Paps

TORONTO (CP)—Ten Canadians, members of the Mackenzie-Papineau Battalion, were reported today to have been killed fighting with the government forces in the Spanish civil war.

Officials of the Friends of the Mackenzie-Papineau Battalion said the list of casualties, including the names of three Vancouver men, was the lowest they had received. Twelve Vancouver volunteers were missing.

Reported killed were: E. W. Patrick, George Washington and Feofan Chareuk, Vancouver; Theodore Kardash and Myke Hyznak, Toronto; Harry Swidersky, Sudbury, Ont.; Mike Sidun and George Kynny, Port Arthur, Ont.; Hugo Lehtovirta, Timmins, Ont.; and Ernest Dentry, Winnipeg.

Reported missing were: W. S. Legge, Henry Jokinen, John Regan, Peter Hilton, J. Ross, Sauli Hyppa, Otto Suomela, Ben Butler, B. Beaulieu, Fred McNeill, Eskill Dahl and L. W. Wilson (captured). Vancouver: Nick Chizuk and Elgo Tornikoski, Toronto; W. Delaney and Jules P. Alrio (captured), Sudbury; Paul Dufour (captured), Montreal; L. Heinche and Charles Medgyes, Windsor, Ont.; A. Puttonen and W. Kostur, Port Arthur, and Ed. Irving, Regina.

Officials said the stepfather of Joseph Korinski, Ottawa volunteer, had received a cable saying Korinski was being held captive by insurgent forces.

Woman Robbed In Apartment

VANCOUVER (CP)—A burglar, who forced his way into Margaret Davis' apartment here last night and robbed the woman of \$8 was sought by police today. Miss Davis told police the burglar grabbed her arm when she entered the suite. He snatched a purse and fled.

Francoists Shell Spanish Coast; Depart as Loyalist Craft Approach

HENDAYE, France (AP)—An engagement between the fleets of the insurgents and the Spanish government was just avoided, it was learned today, when insurgent war vessels bombarded government land forces Wednesday.

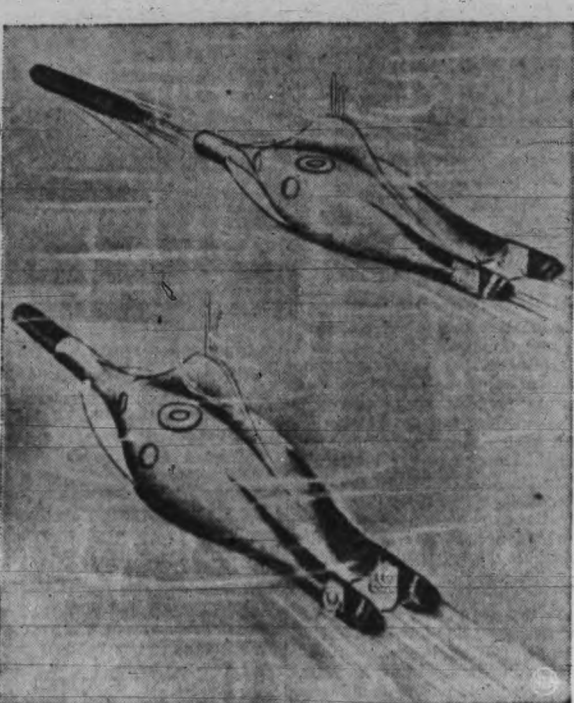

Dispatches from both sides said the insurgent fleet shelled government lines along the Mediterranean Sea, especially Alcala de Chivert, north of Castellon. Government ships steamed from Cartagena at forced draft to the scene, but their commanders declared they arrived too late to engage the insurgents.

(The government fleet has been based at Cartagena. A clash off Cartagena occurred between the two fleets March 6. The insurgent cruiser Baleares was torpedoed and sunk with an estimated loss of 600 lives.)

Dispatches from the government front at Albocacer said resistance was growing stronger every hour, and that the insurgent offensive along the Albocacer-Alcala de Chivert line was stopped.

Insurgents said rain drenching all eastern Spain had prevented their offensive from "developing normally."

New Naval "Sardines"

The queer-looking fish sketched above are new "sardine" submarines reported to be under consideration by the United States Navy. Gasoline-operated, 51 feet long, they would carry a two-man crew and launch torpedoes in the head and travel in "schools." In the lower sketch a submerged "sardine," torpedo in place, is shown as it would approach a target. Above the torpedo is shown being discharged. The new craft are said to resemble the reputed Japanese "suicide" boats, modified to permit the escape of the crew.

NO INQUIRY FOR DIONNE FAMILY

Request of Quintuplets' Father Not Granted By Ontario Government

TORONTO (CP)—No judicial investigation into the affairs of the Dionne quintuplets is justified and none will be held, Premier Mitchell Hepburn announced today.

He said further that "any change in the guardianship of the famed children will be made only at the request of Dr. Allan Roy Dufour and Judge J. A. Valin, two of the present guardians."

An inquiry was demanded by Olivia Dionne, father of the quintuplets, into the handling of their finances, said to approximate \$600,000 through movie and other contracts, and into the handling of their affairs generally. Mr. Dionne himself is one of the guardians and the fourth is Percy D. Wilson, official guardian of minors in Ontario.

Premier Hepburn said a report prepared by Mr. Wilson on a preliminary inquiry he made at Callander and North Bay a month ago had indicated no necessity for a judicial investigation. Nor was any change in the guardianship indicated, unless either Dr. Dufour or Judge Valin should ask to be relieved of his duties.

JUDGE'S ILLNESS

It was reported earlier Judge Valin, ill recently, would retire, to be replaced by Judge J. A. S. Plouffe of Nipissing district. Return of the girls, who will be four years old May 28, was prime motive of Dionne's request, according to his legal representative, Henri St. Jacques of Ottawa. The parents wanted the children, whose custody was taken out of their hands two months after their birth, returned to them.

Attorney-General Gordon Coats announced today the education of the quintuplets will be placed under the bilingual (English-French) system.

(Turn to Page 2, Col. 7)

Three Men Are Sent to Prison

VANCOUVER (CP)—Three two-year penitentiary sentences were handed out by Magistrate H. S. Wood in police court here today.

Edward McQueen, convicted of robbery with violence, received one of the sentences. He was found guilty of robbing Alec Lighthart of \$70 in a beer parlor last March.

The other two sentences were imposed on Leo Leduc and George Scott, convicted of breaking and entering and retaining stolen goods.

Flier Saved By His Parachute

BELLEVILLE, Ont. (CP)—Student Pilot J. L. J. Bernolp of the Royal Canadian Air Force base at nearby Trenton bailed out of his falling airplane at 3,000 feet today and landed safely in a field. The machine crashed in a spin and was destroyed.

Pattullo Back In Washington

B.C. Premier Returns There From Ottawa; Further Highway Alaska Talks

OTTAWA (CP)—Planning further informal conversations with United States officials concerning the proposed \$20,000,000 highway from the U.S. northwest to Alaska, Premier T. D. Pattullo of British Columbia today was on his way to Washington. He left here last night for the U.S. by way of Montreal.

Last week he held his first talks with federal officials in Washington and came to Ottawa Sunday night. For three days he discussed several government matters with Canadian government authorities and presumably the highway proposal was touched on, although Mr. Pattullo would not comment on this aspect of his talks.

The British Columbia Premier may return to Ottawa next week en route to Victoria.

When he was in Washington last week it was reported the United States government might loan the province \$15,000,000 to build its part of the 2,200-mile road.

As Premier Pattullo was reported today going back to Washington, D.C., to resume discussion with U.S. officials, the B.C.-Yukon-Alaska Highway project again held the spotlight in provincial government circles, where word was awaited from the Premier on the progress he has made in negotiating the scheme.

Sources close to the cabinet here were of the opinion a satisfactory formula could be worked out for financing the project with U.S. backing.

They saw the Alaska road project as the initial step in the vast program of development for British Columbia.

Seventeen Facing Trial In Calgary

British M.P. Is Called By Death

BARNESLEY, Eng. (CP)—John Potts, 77, Labor member of parliament for Barnsley, died today after a long illness. Mr. Potts was formerly a colliery checkweighman and treasurer of the Yorkshire Miners' Association. He was first elected to the House of Commons in 1922, but lost his seat in the National Government landslide in 1931. He regained it in the general election of three years ago.

Death Sentence Given in Toronto

T. Bryans, Companion of Late "Red" Ryan, Offers No Defence

TORONTO (CP)—Thomas Bryans, alias Louis Bryans, one-time member of the notorious "Red" Ryan Gang, was sentenced to be hanged June 30 after conviction by an assize court jury today of the murder of Norman Ford here February 6.

Ford, former assistant golf professional at a Toronto course, was found in a pool of blood outside a west end police station early on the day in question. He had been shot to death.

Bryans was arrested a short time after a man had been seen running from the scene.

No defence evidence was offered on behalf of Bryans during the three-day trial before Mr. Justice C. P. McTaggart.

GREECE-TURKEY TREATY

ATHENS (AP)—Greece and Turkey Wednesday signed a 10-year pact of friendship and non-aggression, providing for constant consultation on all questions involving the two countries.

Agreement on Supplies as Part of Defence Also Made During Talks In London

U.S. Third Party Move Tonight

MADISON, Wis. (AP)—Governor Philip F. La Follette's program for a political realignment of Liberals awaited revelation tonight at an outdoor mass meeting which may be the precursor to a national third party.

His aides expected an overflow crowd of possibly 10,000. Close friends expected he would disclose a third party plan.

Vancouver Will Fight Hold-ups

VANCOUVER (CP)—Mayor George C. Miller said today that the Vancouver police department would intensify its drive on criminals responsible for the current wave of hold-ups and burglaries in Vancouver.

He said the police commission met informally yesterday and discussed the situation.

"The commissioners were concerned about the growing number of armed robberies and breaking and enterings," Mayor Miller said. "The chief (Col. W. Foster) told us that although the number is greater than last year at this time, the value of property taken by this class of bandit, thug and thief is considerably less."

Income Tax Office Open Until 6 p.m.

J. Slade Stevens, officer in charge of the Dominion Income Tax office, announces that, for the convenience of the public, the office will remain open tonight, Friday and Saturday until 6 p.m. April 30 is the last day for the filing of individual and certain corporation returns, after which date the imposition penalties for late filing are mandatory.

Woman Among Those Jailed As Police Disperse Relief Strikers

CALGARY (CP)—Mrs. Ann Lenihan, wife of Patrick Lenihan, member of the Calgary branch of the Communist Party of Canada, was in jail charged with unlawful assembly today.

She is the first woman to be arrested during the strike of Calgary's 2,000 relief recipients and was held this afternoon pending arrangement of bail.

Mrs. Lenihan and John Johansen were arrested this morning when a squad of 20 police officers, under the command of Inspector John Burroughs, dispersed a parade of 200 strike picketers who were marching to St. George's Island Park in east Calgary, where nonstrikers were at work.

MAN BEATEN

Earlier, a nonstriker, Ritchie McDonald, a relief recipient, was attacked by two men and severely beaten. Two hours later George Dobson and William Logan were arrested, charged with assault.

It was their second arrest. They were taken into custody last week following an attack on two workers.

"If another assault charge is laid against you, you'll get no more bail," Magistrate I. F. Fitch warned the men as they were remanded till May 6 for hearing.

"I intend to prove the charges are false," Dobson told the court.

"It sounds haywire to me," E. C. Hopper, president of the Calgary Unemployed Married Men's Association, and 12 of his associates, charged with unlawful assembly, were arraigned in court today.

Premier Daladier, After Discussion With Chamberlain, Reports "Clearest Understanding on What We Have to Face"; Britain's Pact With Italy Approved; Talks to Be Completed Tomorrow

CAPT. GOSSE DIED TODAY

Pilot and Master of Coast Ships During Klondike Gold Rush

LATE CAPT. J. GOSSE

Capt. Josiah "Joe" Gosse, 72, retired pilot, who lived for many years in Victoria, died suddenly at his home in Vancouver last night when playing a game of cards.

One of the most popular seafaring men on the British Columbia coast, Capt. Gosse had a host of friends who will mourn his passing.

Born in Newfoundland, Capt. Gosse, like most Newfoundlanders, went to sea when a boy. He signed on sealing ships out of St. John's, and also went to the Labrador Coast and the Grand Banks on fishing vessels.

HERE 50 YEARS

In 1886 British Columbia was gaining fame as the terminus of the Canadian Pacific Railway, and that year Capt. Gosse reached Port Moody. A few years later he moved to Victoria and became quartermaster of the Canadian Pacific Navigation Company's steamer Yosemite.

His first command was the old Princess Louise, a picturesque sidewheeler. When the C.P.N. was taken over by the C.P.R., Capt. Gosse went with the new company for three years.

Many Letters On Transport Bill

Howe Tells Commons Committee Chain Writers Are Exceedingly Busy

OTTAWA (CP)—Canada is practically the only country which has not yet extended government regulation of transport to other forms of transport than railways, Hon. C. D. Howe, Minister of Transport, told the House of Commons committee on railways, canals and telegraphs today.

The committee began a study of Mr. Howe's Transport Bill, which could change the name of the Board of Railway Commissioners to the Board of Transport Commissioners and extend regulation to air transport and certain water transport.

All air transport will be regulated if the bill becomes law. Water transport of package freight on the Great Lakes and the St. Lawrence River will be regulated. Bulk cargoes such as grain, coal, ore, pulp and logs will be exempt.

The minister said members of Parliament were being flooded with chain letters opposing vari-

LONDON (CP-Havas)—Plans for co-operation between the French and British air forces and for maintaining raw material supplies in the event of war were approved by French and British statesmen at the opening sessions today of the Anglo-French talks, Havas learned in high quarters tonight.

Complete agreement was reached on all questions discussed at the morning and afternoon sessions which came to a close at 5 p.m., when the French delegation left Downing Street to prepare for a dinner being tendered in its honor by the King at Windsor tonight.

Relations with Italy were the first subject dealt with during the talks. Prime Minister Chamberlain and Viscount Halifax, Foreign Secretary, represented Great Britain, while Premier Edouard Daladier and Foreign Minister Georges Bonnet spoke for France.

A brief communique issued at the close of the afternoon session said "full accord was realized on all points of the discussions, and the meetings will be resumed tomorrow at 10.30 a.m."

SUBJECTS DISCUSSED

M. Bonnet listed for Havas the following subjects discussed:

1. British and French negotiations with Italy.
2. Action to be taken at the forthcoming League of Nations council meeting with a view to recognition of Italian sovereignty over Ethiopia.
3. Withdrawal of volunteers from Spain.
4. Technical and economic accords between Great Britain and France for national defence.

NO FINANCE TALKS

Germany, Czechoslovakia, Central Europe in general and the Far East would be discussed tomorrow, M. Bonnet declared. He said there had as yet been no discussion of financial problems, which in any event were not on the official agenda.

Premier Daladier said he expected to wind up the discussions tomorrow and return to Paris in the evening.

"We encountered the most cordial welcome and achieved the clearest understanding of what we have to face," the Premier declared. "We reached agreement never before achieved on certain problems of vital interest."

A Canadian Press dispatch said the British ministers gave a detailed account of the negotiations.

HENRY FORD IS OPTIMISTIC

Auto Builder, After White House Talk, Says Roosevelt Doing Best

NEW YORK (AP)—Henry Ford, fresh from his White House conference with President Roosevelt, told interviewers today the United States President "is trying to do the best he can like everybody else."

But of yesterday's conference itself, Mr. Ford would say nothing. Conditions generally are going to change for the better, he said, he doubts if there will be war in Europe in spite of gloomy dispatches from abroad. Ford's son, Edsel, and W. J. Cameron, Ford Motor Company executive, sat with Ford during the interview in a small private dining-room of the Ritz Carlton Hotel.

Edsel said nothing, save when his father asked him the precise location of their big co-operative farm in England, where the Fords are "teaching England she can feed herself."

"Where is the farm, Edsel?" Henry asked.

"It's in Essex County, at Braham."

MUST WORK

People generally, he said, have got to "wake up and go to work." "Too many people try to live off money," he said. "Money is not wealth. It's just a token of wealth. We must create wealth and we must do it by doing something."

"Too many people are half asleep. They're looking for security instead of making it for themselves. And so they are easily fooled by their leaders." He mentioned no one by name, and in reply to a specific question as to whether he meant labor leaders, said:

"No."

Conditions will change, and change for the better, he said, when industries are improved.

"There's plenty to be done, and it ought to be done now. Forty years ago people could not foresee all the work the invention and manufacture of automobiles was to bring. Now it's the same with roads, manufacturing and things like that ought to be overhauled and improved."

QUALICUM RESIDENT DIES

NANAIMO, B.C. (CP)—Funeral arrangements were being made today for Mrs. Louisa Lang, 65, resident of Qualicum Beach, B.C., who died in hospital here last night. She was the wife of Frank Richard Lang, Qualicum painter.

Press Delegates To Go to London

TORONTO (CP)—P. D. Ross, Ottawa Journal, was elected honorary chairman of the Canadian section of the Empire Press Union in succession to the late Lord Atholstan at the section's annual meeting here Wednesday. W. Rupert Davis, Kingston Whig-Standard, presided in the absence of the chairman, J. H. Woods, Calgary Herald.

Mr. Woods was re-elected chairman. I. Norman Smith of the Canadian Press and C. F. Crandall, British United Press, were appointed delegates to represent the section at the third annual conference of the Empire Press Union in London May 23 next.

PATTULLO BACK IN WASHINGTON

(Continued from Page 1)

ish Columbia outlined by Premier Pattullo shortly before he left for the east. The Premier then visioned an expenditure of close to \$100,000,000 in private and public enterprises over the next 10 years.

As it is understood at the Legislative Buildings two major points of negotiation are involved in the Alaska road scheme. Most important, of course, is financing. The next is the route the highway will follow.

The original plan based on surveys made in 1930 was to carry the road beyond Hazelton behind the Alaska panhandle to the Yukon.

An alternative route which the Premier is now said to be advocating would have the road branch off the present B.C. highway system at Prince George, north to Finlay Forks, then going by way of the Finlay, Francis and Felly Rivers to Dawson City.

This route, it is stated in some quarters, would be cheaper from a construction point of view than the road nearer the coast which goes over a more rugged terrain. In addition it would form a part of the road system for a Peace River outlet.

Reports from Ottawa indicate that all three parties, B.C., Canada and the U.S. are more or less agreed on the desirability of building the road.

BULLET KILLS MAN

LOS ANGELES (AP)—Because he stopped to pull a thorn from the paw of his dog, Foster Hollis is dead. When he leaped over to pull the thorn his revolver slipped from its holster and was discharged as it struck the ground. Hollis was shot through the head.

Albinos have been known to occur among the colored races of man.

Britain Plans Ration System

No Food Queues Under Special Control Arrangements if War Comes

By I. NORMAN SMITH
 Canadian Press Staff Writer

LONDON—Books of ration tickets rather than food queues is the way the government plans the gigantic task of feeding the nation in case war comes.

Elaborate arrangements for assuring the change from normal trading to wartime control within a few hours were revealed in a report issued today by the Food (defence plans) Department under the direction of Sir Henry French.

Assuring people all over the country will be able to buy the food required in a major emergency, the report declares, it has been decided essential food control, comprising organization of supplies and regulation of consumers' demands, should be imposed immediately after the outbreak of hostilities.

It was in order to prepare these plans well in advance that this department was established in November, 1936. The report admits it is concealing several factors which must remain secret, but adds it has anticipated every problem which might face a food controller as soon as he has been appointed, so his work will get under way as promptly as possible.

FLEXIBLE SCHEME

Based on Great War experience and later studies, it is considered vital that government control be operated so far as possible by the food traders themselves and be flexible enough to cover a variety of situations.

The department is working out plans for obtaining the necessary foodstuffs and their regulations for distribution. If rationing should become necessary each member of the public will be supplied with a ration book entitling the holder to purchase specified quantities of meat, sugar, butter and other things.

As milk and potatoes are the only foods supplied almost entirely by home produce, the department asserts it is primarily important to safeguard imports of staple food at the outbreak of war.

Plans would be effective immediately, preventing temporary or local shortages and regulating prices of important products and, if necessary, the controller would requisition stocks of staple foods and arrange without delay purchases from overseas.

BRITISH-FRENCH AIR CO-OPERATION ARRANGED

(Continued from Page 1)

tions and concluding of the Anglo-Italian accord, and outlined the results to which they expect it to lead. M. Daladier warmly felicitated Mr. Chamberlain on the accord.

In British opinion the Anglo-Italian agreement is considered to be a step toward the general appeasement of Europe, which remains the essential objective of British policy.

In order to join in this effort, France began talks looking toward normal relations with Rome as soon as the Anglo-Italian accord was signed.

Improvement in relations with Italy is expected to be marked soon by recognition of the conquest of Ethiopia. At the May 9 session of the Council of the League of Nations, Lord Halifax, with the support of the French delegation, will propose each member nation be accorded freedom of judgment on this subject.

SPAIN VOLUNTEERS

Because the Rome agreement regarding Ethiopia was made contingent on the withdrawal of foreign volunteers from Spain, Lord Halifax, during today's conversations, outlined the status of the work of the Nonintervention Committee.

M. Bonnet then insisted on conditions he said were necessary to ensure the withdrawal of foreign soldiers from Spain.

It was understood the Italian reaction to these conditions will be taken to indicate the exact nature of Italian intentions. When technical defence questions were taken up, Lord Halifax recalled reciprocal obligations linking the two countries for the defence of their respective territories.

It is known the British government has embarked on a great reorganization program to adapt land, naval and air forces to the new conditions implied in protecting British territory and safeguarding the Empire's lines of communication.

Especially as concerns aviation, it was learned, Great Britain hopes for effective collaboration from France. It was suggested here an air attack on Great Britain, whose insular position makes it particularly vulnerable in this respect, could be opposed

with success only through an advance defence based on French soil.

This afternoon's session was held after the French statesmen had lunched at the Prime Minister's residence.

MANY LETTERS ON TRANSPORT BILL

(Continued from Page 1)

Davenport, the clause in the bill providing for agreed charges would not permit discrimination in favor of large shippers. The clause enables transport companies to give special rates to individual shippers where shippers agree to give the company all their business for a period of years.

The same rates would have to be available to all shippers under similar conditions. The existing differentials between carload rates and rates for lesser shipments would not be affected.

Mr. Howe said there was a vacancy on the railway board now which could be filled by the appointment of a commissioner familiar with water transport, to the new board.

MANUFACTURERS' VIEWS

J. E. Walsh, general manager of the Canadian Manufacturers' Association, gave a summary of objections to the agreed charges clause preliminary to presentation of the association's brief. Mr. Walsh thought the proposal would hamper rather than help efforts to regulate highway transport. It was being resented by the provinces, which were making a serious effort and some progress in regulating highway traffic.

The association believed in government regulation of all forms of transport and would prefer to see federal regulation.

T. J. O'Neill, Liberal, Kamloops, said the Canadian Manufacturers' Association wanted to strike out the agreed charges. He thought they should suggest some substitute which would lessen the unfair competition of trucks with the railways. If all the tests were to be struck out of the bill there was no use passing it.

Agreed charges would not correct unfair competition. The only way to do it was by provincial regulation of the trucking business.

TO BE PUBLISHED

Mr. Howe said any agreed charges approved by the board would be published. If necessary the bill could be amended on that point if it were not sufficiently clear.

Sir Eugene Fiset, Liberal, Rimouski, Que., was elected deputy chairman of the committee today after Chairman Thomas Vlen, Liberal, Montreal-Outremont, said so many communications were being received by the committee he wished the assistance of a deputy chairman. Sir Eugene was chairman of the other railway committee which has just concluded study of the reports and accounts of the Canadian National Railways and Canadian National Steamships.

In the brief submitted to the committee the manufacturers' Association said:

"The Canadian Manufacturers' Association is speaking after the most careful deliberation when it states its conviction that the adoption of... agreed charges, will in time mean a return to the chaotic conditions existing in railway transportation prior to establishment of the Board of Railway Commissioners in 1904. It is opposed to the principle of agreed charges and recommends the omission of them from the bill."

SEVENTEEN FACING TRIAL IN CALGARY

(Continued from Page 1)

today and remanded till May 6. Bail was renewed at \$100 each. They were arrested yesterday.

SURROUNDED BY CROWD

Mrs. Lemhan was arrested by Inspector Burroughs after he had been surrounded by a yelling crowd of more than 40 women when the picketers were within a block of St. George's Island.

Johansen led the parade, flanked by a woman carrying a young baby. Behind them marched 48 women, two of whom trundled baby buggies with infants.

The strikers, making no attempt to resist the police, scattered, but reformed in marching order a block away and started back for strike headquarters at the labor temple.

A second time police scattered the marchers, who fled across nearby railway tracks to avoid arrest, but again formed ranks, and as they were away from the downtown traffic centres they were permitted to continue the parade back to the labor temple.

W. AITKEN MARRIED

LONDON (CP)—William Aitken of Toronto, nephew of Lord Beaverbrook and son of J. M. Aitken, and Miss Penelope Maffey were married today in St. Peter's Church, Eaton Square. The bride was given away by her father, Sir John Maffey.

Reich to Take Jews' Property

Race Will Be Encouraged to Emigrate From Germany

BERLIN (AP)—Diplomats indicated today embassies and legations of foreign powers were studying the decree published yesterday requiring registration of Jewish fortunes and properties in Germany.

A high authority disclosed last night the German government planned to take over all Jewish property "in due course of time" and encourage Jews to emigrate from Germany.

This was in explanation of the decree issued by Field Marshal Hermann Wilhelm Goering, as director of the four-year economic self-sufficiency plan, requiring the approximately 750,000 Jews of Greater Germany to register their fortunes if these exceed 5,000 marks (\$2,000).

Jews in Germany must also register their foreign properties. Foreign Jews must list their holdings in Germany. This must be done by June 30.

CALLED TERRIFIC

One diplomat characterized the decree as "terrific," but doubted there was any basis for dramatic action.

Informed Nazis revealed that if and when Goering decides to mobilize Jewish fortunes in the interests of the four-year plan it would be with the same energy which marks all the No. 2 Nazi's decisions.

Government circles expressed confidence the "stocktaking" of Jewish properties would be completed by the June 30 date.

TO GIVE INTEREST

How the Jews will be compensated when Goering calls for their money is still a puzzle to financial experts. It was suggested they might simply be handed government bonds bearing 4 per cent in face amounts equal to the funds confiscated.

A leading German industrialist, after conferences with the economic ministry and the Reichsbank concerning the meaning of the decree, volunteered the information Jews would be given interest on their investments, but no longer would own title to them.

Wood pulp is turned into rayon by aid of chemicals made from ordinary salt, sulphur, coal, air and water.

NO INQUIRY FOR DIONNE FAMILY

(Continued from Page 1)

lish-French) section of the Ontario Department of Education. No consideration will be given to Dionne's request for reinstatement of Teacher Clare Tremblay and Nurse Jacqueline Noel.

Dr. Alan Roy Dafeo's position as "supreme authority in all matters affecting the health of the quintuplets" is to be maintained. An increase in the allowance paid the Dionne family from the quintuplets' fund from \$100 to \$300 a month is confirmed.

The Attorney-General's announcement was based on the finding of Guardian Wilson, who made a preliminary inquiry into Dionne's complaints at North Bay and Callander a month ago.

Consideration should be given by the guardians "to the growing administrative costs," the report states in reference to Dionne's charges of "extravagance."

Mr. Wilson held out hope for ultimate reunion of the Dionne family with their famous daughters, and suggests "that the whole situation be surveyed from all points of view, including medical, educational and religious, with a view to reuniting the family."

TORONTO (CP)—Two members of the Dafeo clan, widely known but for widely different reasons, got together for the first time today.

Dr. Allan Roy Dafeo, physician to the Dionne quintuplets, and John W. Dafeo editor of the Winnipeg Free Press, member of the Royal Commission on Dominion-Provincial Relations and chancellor of the University of Manitoba, met informally in Premier Hepburn's office.

The fact they have the same name is more than a coincidence; they are fourth cousins.

Gala Welcome In Rome For Hitler

ROME (CP)—Adolf Hitler's reception here May 3 will be the most spectacular ever given a foreign visitor to the Italian peninsula.

The array of massed manpower, demonstrations of military might and decorative splendors planned in Hitler's honor will overshadow anything ever seen in modern Rome or the ancient city of the Caesars.

For the week's visit Fascist Italy intends to outdo itself in impressing the world with the solidarity of the new Italo-German friendship arisen from centuries of antagonism.

A torchlight parade when the Fuehrer arrives in Rome, a gigantic review of Italy's military forces and the greatest naval display in Italian history are highlights of the program.

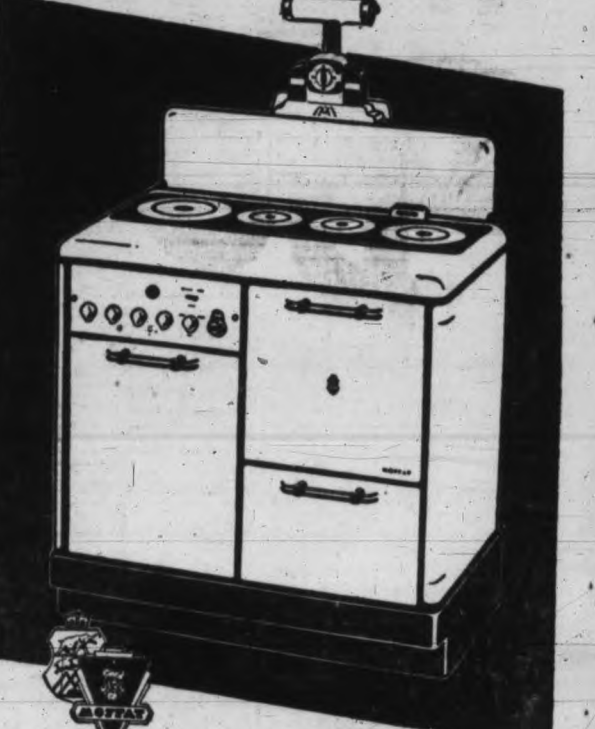

Intervals between these gala events will be crammed with organized demonstrations of Anglo-Italian friendship. The glories of ancient Rome and up-to-the-minute organization of present day Fascism will be splashed on Premier Mussolini's stage.

OPERA IN GERMAN

In Rome there will be a German opera produced in an open theatre constructed from ruins of the Baths of Caracalla.

Florence will celebrate the occasion with an especial "pallo" of Siena—the flag drill and queer, clownish horse race originated in 1659. There Hitler also will see an opera in conjunction with the Florentine festival, "Musical May."

THE STOVE WITH THE MODERN FRESH-AIR OVEN

Model 164-B Price \$211.60
 Grand Prize in Essay Contest, Week of May 16

THIS Moffat Electric Range has the exclusive "Circulaire" Oven, in which clean, evenly-heated fresh air is circulated to every corner. No dead, stale air, laden with food odors, can remain to contaminate food as in ordinary ovens. Cakes are beautifully browned on top... pies and pastry are done to perfection... roasts are cooked perfectly.

See this remarkable "Circulaire" Oven at your nearest Moffat dealer now! It is only one of the many Moffat features that help to save you hours of kitchen time and give you tastier, better-cooked meals.

Moffat Electric Ranges are smartly styled and finished in gleaming porcelain enamel, in an appealing choice of colors.

MEALS FOR HITLER

BERLIN (CP-Havas) — As Chancellor Hitler is a vegetarian, a complete set of "model menus" has been sent to Rome for the guidance of chefs responsible for the diet of the Reichsfuehrer during his visit early next month.

In building a subway under city streets, engineers may have to deal with telephone and telegraph wires, water, gas and steam mains, and sewage systems.

First Church of Christ, Scientist, Victoria, B.C., Announces a

Free Lecture On Christian Science

By FRANCIS LISTER JANDRON, C.S.B., of Detroit, Mich.
Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

In the ROYAL VICTORIA THEATRE

Friday Evening, April 29, at 8 o'clock

THE PUBLIC IS CORDIALLY INVITED TO ATTEND

Support Quoted On Board's Views

TORONTO (CP)—Criticism of the authenticity of the submission presented in the name of the Vancouver Board of Trade before the Rowell Commission at Victoria a month ago was made in ignorance or disregard of the procedure followed by the board in obtaining the views of its members, the board asserted in a letter filed with the commission here Wednesday.

Premier T. D. Pattullo, Attorney-General Gordon Wismer and Senator J. W. deB. Farris, British Columbia Government counsel, had questioned the authenticity of views defined as representing the board. J. G. Robson, president of the B.C. Lumber Manufacturers' Association, had also disavowed endorsing the board's submission, although a member. The board yesterday explained

it had sent out 2,000 copies of the Canadian Chamber of Commerce questionnaire, returns from which were studied by a special committee appointed to prepare a submission to the commission. Three members of the lumber industry were included.

The Associated Boards of Trade of Eastern British Columbia and of the Fraser Valley and lower mainland later endorsed the presentation prepared by the board. "The document was not prepared by a small coterie, but received extended consideration by representative men throughout the entire province," wrote W. E. Payne, executive secretary. "It is a matter of regret to our affiliated boards that the government of British Columbia did not ascertain these facts before they made such an unfair attack on the organizations concerned."

Officials of the Lumber Manufacturers' Association were long aware the council or the board was its governing body and spoke for its members, he said.

SWISS COMPLAINT

GENEVA (CP-Havas) — German spies take notes on sermons in Swiss Protestant churches, check up on all Swiss newspapers and send complete reports home to their Reich superiors on all anti-Nazi activities in Switzerland, a statement by the Protestant church press bureau declared Wednesday night. The bureau called on the federal government to take energetic steps.

One Government For All Canada Is Urged

TORONTO (CP) — One governing body for Canada, instead of 10 as at present, is sufficient to administer the "Divine economic law" laid down in the Bible, the British Israel World Federation submitted in a submission filed with the Rowell Commission Wednesday.

The federation proposed abolition of the provincial legislatures and election of a "government body" of 70 members, who would also form the administrative councils of their respective provinces. The Prime Minister would be appointed by the King.

G. MULLANE DIES

HALIFAX (GP)—George Mullane, 88, newspaperman and historian of the city of Halifax, died Wednesday.

He was known to readers of the Halifax Mail under the pen-name of "Occasional" and there was little of the city's lore he did not know. He was first employed as a reporter on the Halifax Herald. He first wrote under the pen-name "Occasional" in the Acadian Recorder in 1912.

GEN. DE LOBIT DIES

DAX, France (AP)—Gen. Paul Joseph de Lobit, 78, chief of Allied military operations in Albania in 1917, died Wednesday.

Loans Renewed To Provinces

Dominion Consolidates Series of Advances to B.C. and Prairie Provinces

OTTAWA (CP)—Hon. Charles Dunning, Minister of Finance, yesterday tabled in the Commons, orders-in-council providing for renewal and consolidation of a series of dominion loans to the prairie provinces and British Columbia. The loans were set to mature during April and May and the respective provinces asked for their renewal. Consolidation was effected as a matter of convenience.

Two British Columbia loans from the Dominion, maturing in April and totaling \$1,938,881, were consolidated. A treasury bill for that amount was accepted as security.

Four Alberta loans totaling \$2,007,198 were renewed and consolidated under authority of the unemployment relief and Assistance Act, 1936. An Alberta treasury bill for \$2,007,198, due April 15, 1939, bearing interest and 3 per cent yearly was accepted as security.

MANITOBA AID

Three Manitoba loans totaling \$815,000 were consolidated and a treasury bill of the province for that figure was accepted as security. In addition, the Dominion renewed until May 1, 1939, its guarantee of a consolidated Manitoba treasury bill amounting of \$4,878,673.

The bill combined a series given by the province to the Royal Bank of Canada as security for loans which enabled the province to meet obligations maturing in New York.

The dominion consolidated five Saskatchewan loans totaling \$3,156,964 that were to mature last March and accepted a Saskatchewan treasury bill for \$77,969 in respect to interest accruals on the loans.

New Netherlands Foreign Policy

AMSTERDAM (AP) — The Netherlands, hemmed in by powerful neighbors, is taking unprecedented steps to bring her foreign policy into line with swiftly changing Europe.

Foreign Minister J. A. N. Pajon announced Wednesday he had summoned the Netherlands ministers from London, Paris, Berlin and Brussels for a conference at the Hague May 13.

The diplomatic conference—first ever held in The Netherlands—will review the nation's whole foreign policy with its vital commitments in the rich, oil-stocked Dutch East Indies.

LANGFORD

J. B. Munro, B.C. Deputy Minister of Agriculture, will address a meeting in the Women's Institute Hall on Wednesday May 4, on the subject of the early history of Langford and surrounding districts. Old-timers have been invited.

Official opening of the Langford tennis courts will take place Saturday afternoon.

Monthly meeting of the Women's Institute was held Tuesday afternoon. Mrs. H. F. Dack was made convener of the next Institute dance early in May. The president reported on arrangements for a joint flower show in Colwood Hall August 3. The community betterment convener, Mrs. R. J. Smith, was asked to see to several improvements at the public bathing beach.

Prairie Pastor Receives Call

Rev. Hugh A. MacLeod, M.A., B.D., pastor of Robertson United Church, Edmonton, has been tendered a call to take over the pastorate of First United Church to succeed Rev. Dr. W. G. Wilson.

A large congregational meeting at the church last night adopted the recommendation of a special committee to send a call to Mr. MacLeod. Rev. John E. Bell, assistant pastor, presided at the meeting.

Mr. MacLeod was born in Ontario and is a graduate of Queen's University, Kingston and Knox College. He was at one time offered a literary post at Queen's. He is a former pastor of Westminster United Church, Saskatoon. He is married and has three sons.

The church committee which suggested Mr. MacLeod was comprised of Prof. E. S. Farr, chairman, Mrs. A. S. Christie, John Goldie, Alex McKeachie and G. Nell Perry. This committee investigated a complete list of candidates before selecting Mr. MacLeod.

The committee's work in connection with the choice was reviewed by Prof. Farr, and W. T. Straith, M.P.P., read a letter from Mr. MacLeod indicating he would accept if a call were made.

Victorians Gain Festival Awards

Masonic Choir and Quartette Win at Nanaimo; Other Results

NANAIMO (CP) — The Masonic male choir of Victoria under the leadership of Cyril C. Warren, last night won the Nanaimo Rotary Club trophy for male voice choirs at the upper island Musical Festival.

Two other Victoria entries also were adjudged best in their respective classes.

The Masonic D quartette of J. W. Buckler, Len Batchelor, J. Cobbett and Percy C. Richards, won the Charles Stockwell cup with 80 marks and the Victoria duet team of J. W. Buckler and J. M. Thomas won that class with 83 marks.

Mr. Warren was commended for the fine interpretation he had effected in the rendering of both choral pieces. The adjudicators said that in "The Tide Rises and The Tide Falls" the masonic choir had caught a nice moody opening, just what was wanted. In the second piece, "A Wet Sheet and a Flowing Sea," the choir gave a much finer rendition, however.

The group was more virile in its singing, caught the rollicking mood of the sea song, and gave more marked contrasts. For the first number the choir received 88 marks, and for the second piece 90 marks, a total of 178. The Nanaimo Choir was commended for a better rendition of "The Tide Rises and The Tide Falls." Their markings were 89 and 87.

In the quartette class there was close competition in the singing of Baynon's "Come, Gentle Night." The winning quartette, Masonic D, was complimented for keeping its pitch. The tenor line had been better sustained, while the second bass line was well defined. The two inside parts had kept their parts moving well, which was essential to the proper effect for this number. The Nanaimo Men's Musical club quartette came second, one point behind, with 79 marks. Masonic quartettes, C and B, tied for third place with 78.

J. M. Thomas and J. W. Buckler received praise by both adjudicators for their rendition of Cook's "Love and War." Particularly were they commended for the fine atmosphere that was created, and the manner in which they not only sang but acted the parts. They were given 83 marks.

SCHOOL CHOIRS
School choirs drew a capacity crowd at the afternoon session. The adjudicators paid a high tribute to work of the various choir conductors for the charming presentations of their choral work.

A feature was the rhythm band class under 14 years, won by Harewood Rhythm Band, Miss Violet Wilson, conductor, with 81 points; Courtenay Rhythm Band, conducted by Miss Olive Anderson, second, with 81.

School choirs, Grades 3 and 4, was a delightful class with five choirs competing, won by North Ward, Beverly Fyfe, conductor, with 168 marks for two numbers; second, Harewood School, Miss V. Wilson conductor, 167; third, Nanaimo Middle Ward School, Beverly Fyfe, conductor, and Lady Smith School, Miss Nora Clements, conductor, tied.

John Shaw High School, lone competitor, was awarded Canadian Colliers Shield, Beverly Fyfe conducting, with 174 points.

HIGHEST MARKS
In school choir class Grades 5 and 6 up to 35 voices, Thomas Hodgson School, Miss Gladys Walls, conductor, led with 176 points, the highest marks awarded in the choir class; second, Harewood School, Miss Violet Wilson, conductor, 168; third, Lady Smith School, Miss Clements, conductor, 164.

Other results were: Violin under 12 years, Herald Kelly, Nanaimo, 82. Beryl Biggs, Northfield, 81. Wanda Morrison, Nanaimo, 80.

Girls' solo under 15: Adele Dunsmore, Nanaimo, 85; Ninon Houston, Ladysmith, 84; Sheila Palmer, Nanaimo, 83. The adjudicator praised the gifts of all three singers, but warned against continuity of training in girls under 18, excepting they are fully developed with mature voices.

Piano duet: Mary Foster and Adele Dunsmore, 169; Dorothy and Elsie Thorncroft, 165; Eddie McGlennen and Jack Dunsmore, 164.

A boys' choir conducted by Beverly Fyfe won the Western Fuel Challenge Shield, with 166.

Elocution under 10 years: Ione

SINGLE MEN'S CASE STUDIED

But Province Awaits Ottawa Announcement on Summer Work Plans

The situation created by the gathering of single men from the winter forest camps in Vancouver is under study by the provincial cabinet this week but no action will be taken by the provincial government until Ottawa announces its plans for a work program.

Approximately 3,000 men paraded in Vancouver Sunday demanding work and wages.

Relief authorities have taken the stand that the men from the camps have deferred pay allowances coming until May 15 and also received additional cash pay which should tide them over a few weeks. Some 2,000 men have homes or relatives on the prairies where work in spring planting should be available, they believe. Seasonal work in this province is also opening up. The men were informed the provincial government had no intention of starting a permanent camp work scheme as they requested.

It is understood in provincial circles that Ottawa will shortly announce a program of public works that may absorb numbers of the men. How large this will be is not known.

with Mrs. Graham as president, Mrs. Owens first vice-president, Mrs. H. B. Hayward second vice-president, Mrs. T. C. Robson secretary, Mrs. H. Savage assistant secretary, and Mrs. T. Pitt treasurer.

The committee was re-elected.

Celebrate Wedding Date

Mr. and Mrs. J. O. Cameron "At Home," "Roseboro" Yesterday

A host of good wishes, together with many lovely flowers and other gifts, were showered upon Mr. and Mrs. J. O. Cameron, who celebrated their 45th wedding anniversary yesterday. They were hosts to about 100 friends in the afternoon and evening, the reception rooms being massed with tulips, iris, antirrhinum, snapdragon and spring blossoms in lovely effects.

Refreshments were served at long buffet tables in the upstairs dining-room, one being centred with a bride's cake, and on the other a three-tiered wedding cake held the place of honor, flanked with tall ivory tapers in silver candelabra, and sprays of white blossom on the cloth and in silver vases. Three of their four sons, James, William and George, were here to participate in the celebration. Donald, a fourth son, being in Stockton, California, was unable to be present. Mr. and Mrs. Cameron will celebrate the anniversary in more extended fashion later by a holiday trip to the British Isles and the Continent, for which they expect to leave on May 22.

At the tea hour in the afternoon Mrs. R. T. Elliott, Mrs. John Chrow and Mrs. H. F. Lasenby, poured coffee and tea. In the evening a three-piece orchestra played for dancing, and bridge was also enjoyed.

The invited guests included: Mr. and Mrs. James Adam, Mr. and Mrs. F. G. Aldous, Miss K. Agnew, Mr. and Mrs. G. S. Brown, Miss E. M. J. Bruce, Miss W. Bruce, Mrs. C. W. Bradshaw, Mrs. W. Bell, Mrs. C. S. Beals, Miss Lora Blake, Mr. Bert Barnes, the U.S. Consul and Mrs. Reed Paige Clarke, Mr. and Mrs. J. Chrow, Misses Mildred, Allison and Connie Chrow, Mrs. W. J. Cullum, Mr. and Mrs. D. O. Cameron, Mr. Newton Cameron, Mr. and Mrs. H. L. Campbell, Mr. and Mrs. J. F. Cameron, Mr. Griffith Cameron, Mr. Wallace Cameron, Mr. and Mrs. Lorne Campbell, Mr. and Mrs. W. A. Cameron, Mrs. D. W. Campbell, Mr. and Mrs. John Cochran, Mrs. Bannerman Campbell, Miss Betty Mae Cameron, Mr. W. J. (Bill) Cameron, Mr. George Cameron, Mrs. Stanton S. Dibley (Tennessee), Mr. and Mrs. P. H. Elliott, Mrs. R. T. Elliott, Mr. and Mrs. C. H. French, Mr. and Mrs. A. M. D. Fairbairn, Mr. and Mrs. E. V. Finland, Mrs. J. H. Fletcher, Miss S. Fraser, Mr. and Mrs. L. A. Grogan, Mrs. J. H. Gillespie, Mrs. T. W. A. Gray, Mrs. J. A. Griffith, Dr. and Mrs. George Hall, Mr. and Mrs. Ainslee Helmen, Dr. and Mrs. E. W. Hetherington, Mr. and Mrs. R. P. E. Hammond, Mrs. F. S. Harper, Miss Gwendoline Harper, Mrs. A. H. O'Halloran, Mrs. Gordon Hunter, Mr. and Mrs. R. B. Horton, Dr. and Mrs. W. A. Jameson, Dr. and Mrs. T. H. Johns, Miss Nora Jones, Col. and Mrs. T. H. Knox, Mrs. H. P. Hodges, Mr. and Mrs. Fraser Lister, Mrs. H. F. Lasenby, Mr. Cedric Lefevre, Mrs. A. E. McMicking, Mrs. S. Macure, Mrs. C. Macure, Mr. and Mrs. S. D. Markham, Mr. and Mrs. A. W. Miller, Dr. and Mrs. R. L. Miller, Mr. and Mrs. J. D. Munro, Mrs. Harty Morden, Mrs. A. K. Munro, Miss Sandra Munro, Mrs. H. V. Mills, Mrs. R. W. Mayhew, Mrs. D. Mouat, Mrs. G. Michaels, Mrs. F. W. McGregor, Mr. and Mrs. R. D. McCaw, Miss R. McDonald, Mr. and Mrs. D. McBride, Mr. E. W. McMullen, Mrs. W. H. Munsie, Mrs. McConnell, Miss Helen Ockenden, Mr. and Mrs. H. J. Pendray, Mrs. Alton Peebles, Miss Dorothy Parsons.

Judge and Mrs. H. H. Shandley, Mrs. G. A. Richardson, Mrs. E. Sanderson-Mongin, Mrs. P. B. Scurrah, Mr. and Mrs. D. S. Tait, Miss Rachel Tyree (Washington, D.C.), Mrs. Edwin Tomlin, Mr. and Mrs. G. A. Tripp, Mr. and Mrs. E. C. Wootton, Mrs. C. C. Warn, Misses Nunie and Amy Warn, Mrs. Arthur Walsh, Mr. and Mrs. W. H. Wilson, Mrs. F. C. T. Wickert, Mrs. W. G. Wilson, Mrs. T. H. Lonsdale (Banff), Mrs. A. J. Watson, Mrs. S. J. Willis, Mrs. H. A. Whillans, and Mr. H. Newcomb.

ORBYA

The Oak Bay young people held a very successful penny bazaar on Tuesday evening. Stalls with varied attractions were in charge of the young people, and a good crowd attended. Next week will be a regular meeting, with Rev. John Bell as the guest speaker.

Worst Pain in the World

This painful fast-acting remedy yields quickly to the action of the body's fighting forces against neuralgic and rheumatic trouble. Get a 50c or \$1 box from your druggist.

TIC DOULOUREUX

British Labor Leader in U.S.

"Our boom has not developed out of natural trading," declared the Rt. Hon. Margaret Bondfield, former British Minister of Labor, pictured on her arrival in New York City. Business in England had been artificially stimulated by the rearmament program she believes. Miss Bondfield is in the United States to study the board scale public works program. She will first look into operation of the Tennessee Valley Authority.

Society

His Honor the Lieutenant-Governor and Mrs. E. W. Hamber entertained at dinner at Government House last evening in honor of Brigadier and Mrs. D. J. MacDonald, who will leave shortly for eastern Canada. The table was arranged with mixed spring flowers in all the pastel shades, and silver candelabra held lighted yellow tapers. Those invited, in addition to the guests of honor, were Commander and Mrs. C. T. Beard, Commander and Mrs. J. E. W. Oland, Brigadier J. C. Stewart, Brigadier-General and Mrs. J. A. Clark (Vancouver), Colonel and Mrs. H. F. G. Letson (Vancouver), Colonel and Mrs. H. T. Goodland, Lieut.-Colonel and Mrs. E. Riepe, Captain and Mrs. W. Hobart Molson, Major and Mrs. M. W. Turner, Major and Mrs. J. C. Murchie, Commander and Mrs. R. W. Wood, Hon. F. M. and Mrs. MacPherson, Mr. and Mrs. Reed Paige Clark, Dr. and Mrs. H. E. Ridewood, Dr. and Mrs. George Hall, Mr. and Mrs. T. Kidd (Edinburgh), Mr. and Mrs. Carew Martin, Mr. and Mrs. R. H. B. Ker, Miss Rachel Tyree (Washington, D.C.), Mrs. Mae Rice and Mr. A. M. D. Fairbairn.

Mrs. Richard Day of Laurel Canyon, Hollywood, who has been visiting here for the last few weeks, left today for her home in California.

Miss Betty Strachan and Mr. George Darimont, whose marriage will take place next month, were the guests of honor last evening when Mrs. Victor Casanave, sister of the bride-to-be, entertained at a party and miscellaneous shower at her home on Cadboro Bay Road. The reception rooms were gay with spring flowers. The many and varied gifts, concealed in a container, covered with violet paper and decorated with pale pink crepe paper roses, were wheeled in by the hostess and presented to Miss Strachan. Dancing and music were enjoyed, and a buffet supper was served from two tables, which were attractively arranged with centerpieces of mauve and pink tulips in silver vases and lighted by tall mauve tapers in silver sconces. The guests were Mr. and Mrs. F. Darimont, Capt. and Mrs. H. R. Rebbitt, Mr. and Mrs. Bert Mottershead, Mr. and Mrs. G. H. Scarrett, Mr. and Mrs. Peter Cunningham, Mr. and Mrs. W. Cull, Mr. and Mrs. Elmer Stevens, Mr. and Mrs. W. Montgomery, Mr. and Mrs. R. Chunggranes, Mr. and Mrs. A. K. Jackson, Mrs. W. Morse (Port Angeles, Mrs. M. Margaret (Seattle), Mrs. M. Glover, Mrs. B. Stone, Misses Lorna Howard, Veda Dakers, Dolly Wood, Marjorie Scarrett, Rita and Kay Mottershead, Messrs. Alan Cunningham, Larry Howard, Bill Johnston, Victor Casanave, James McCague and Major Robert Ely.

Mrs. Walter Crocker of Prince George has left for her home after visiting friends here.

Mrs. Louis Hill of Banff, who has been spending the last six months here, left last night for the mainland.

Dr. and Mrs. J. M. Fowler, Sylvan Lane, have returned to their home after spending the last six months in La Jolla, California.

Mr. Desmond Barrett of Vancouver came over from the mainland this afternoon to spend the week-end with his parents, Dr. and Mrs. W. T. Barrett, Rockland Avenue.

Mrs. Brian Hunnings was hostess at a small tea party this afternoon, when she entertained a few friends at tea at the Empress Hotel in farewell to Mrs. T. W. Morris.

Mrs. C. J. Bunbury, Foul Bay Road, and her daughter, Miss Dorothy Bunbury, who have been spending the last two weeks at Saseenos as the guests of Mrs. H. L. Roberson, have returned to their home in Victoria.

Mr. and Mrs. G. A. Stelck of Winnipeg, who have been visiting their parents, Mr. and Mrs. A. H. F. Stelck of Old Saanich Road, and Mr. and Mrs. J. C. Nimmo of Langford for the past fortnight, have left for their home.

In complimentary farewell to Mr. and Mrs. T. W. Morris, Mr. and Mrs. P. J. Mulcahy entertained at their home on Marlfield Avenue yesterday evening with bridge, when the guests included Mr. and Mrs. Morris, Dr. and Mrs. A. Poyntz, Mr. and Mrs. Gordon Fullmer, Miss Kathleen Mulcahy and Mr. Ted Sanders.

Local Man Married In Alberta

Mr. Albert Sutton Wed Yesterday To Miss Blodgett

A wedding of interest to a number of Victorians took place yesterday evening at St. Peter's Church, Edmonton, when Rev. S. F. Tackaberry united in the holy bonds of matrimony Dorothy Alberta, only daughter of Mr. and Mrs. H. A. Blodgett of Gainford, formerly of Edmonton, and Mr. Albert Sutton of Victoria, son of the late Mr. and Mrs. Thomas Albert Sutton of Manchester, England.

Entering the church on the arm of her father, by whom she was given in marriage, the bride made a lovely picture in her wedding gown, an imported model of lustrous ivory satin, fashioned on princess lines. The skirt ended in a full court train, and a Medici collar and yoke of D'Alencon lace adorned the long-sleeved bodice. Her wedding veil of sheer net, elaborately embroidered, was draped over a shower of fine net ending in a train and attached to a coronet of orange blossoms and pearls. To complete her ensemble she carried a shower bouquet of pale pink roses and lilies of the valley.

Her bridesmaid was Miss Zola Chadwick of Edmonton, wearing a frock of blue-flowered satin, made with very full ankle-length skirt, and with high-neckline and puff sleeves. She wore a Juliet cap of blue net with shoulder-length veil of the stiffened net, and carried a bouquet of sweet peas in pastel shades.

The bridegroom was supported by Capt. D. C. R. Sims of Edmonton, and the guests were shown to the pews by Mr. Harvey Blodgett, brother of the bride, and Mr. Dennis Mighall.

Following the service, a reception was held in the drawing-room at the Corona Hotel, Edmonton, where the guests were welcomed by Mrs. Blodgett.

Mr. and Mrs. Sutton left by train for Spokane, from where they will motor to California and will arrive in Victoria about the middle of May to make their home here. For traveling the bride donned a dress of deep gold crepe and an overcoat of cocoa brown with hat and other accessories in matching tones.

The Jubilee Hospital W.A. met yesterday at the Nurses' Home, the president, Mrs. R. J. Jameson, in the chair. The members stood in silent sympathy for the members of the families of the late Mrs. L. Heisterman, Mr. J. J. Collison and Mr. R. J. Robertson. Mrs. P. E. Taylor reported on the success of the tag day and thanked those who had assisted her. A request for two air conditioners was received and money voted towards their purchase. Miss Mitchell sent a request for woolen shirts for the infants.

Demonstrates Economy In Cooking

Economy of operation was demonstrated at the second class of the Moffat Cooking School at the Shrine auditorium yesterday afternoon when Mrs. E. McLean showed a capacity audience of women how to conserve gas and electricity in the preparation of meals.

OVEN DINNER COOKED

An oven dinner, No. 5 on the list of tested recipes presented to the women, was chosen by Mrs. McLean for her demonstration. The menu included roast loin of pork, baked sweet potatoes, onion-carrot-apple scallop, prunes

and Apple Betty, made with corn flakes. All the dishes were cooked in the oven at one time. Mrs. McLean substituted the baked sweet potatoes for Irish potatoes and suggested that the potatoes be baked in their jackets and rubbed with butter. She left two of the potatoes uncooked to show the difference after they had been baked, to her class.

SUMMER FRUITCAKE

While she prepared the dinner, Mrs. McLean dictated a favorite recipe which will not appear in the Moffat menus for some time. This was a summer fruitcake, and the ingredients were as follows: One cup of butter, one cup of white sugar, two eggs, three cups of bread flour, two teaspoons of baking powder, one teaspoon of salt, one pound of seedless raisins (Sultanas preferred), three-quarters of a cup of chopped cherries and one medium-size tin of drained pineapple. Mix dry ingredients and fruit, then add butter and eggs and lastly the pineapple. Cook for two hours in an oven at 325 degrees Fahrenheit.

Sausage rolls made a tempting and substantial luncheon dish, Mrs. McLean said. A biscuit dough was rolled thin and spread with sausage meat, and rolled like a jellyroll, which was cut in slices and baked in muffin tins for 20 minutes. A party dish was a turtle steak, which was moulded to resemble a turtle, over which a tomato sauce was poured before baking.

RICE PUDDING

In making rice pudding it was suggested adding butter instead of salt, as salt causes the milk to curdle. The same thing applied to scalloped potatoes.

One of the highlights of the class was the icing of a tomato cake cooked in a mould to resemble a lamb, and a most realistic effect was achieved by Mrs. McLean. This afternoon the school held its concluding session.

Hair Stylist Returns

From Eastern Visit
Mrs. Mary Fraser of the Harper method arrived in Seattle Tuesday on her way home to Victoria, and will attend the hairdressers' convention now in progress there.

During her recent visit in the east, Mrs. Fraser took a course of post-graduate lessons on hair styling and permanent waving from the leading stylists in New York, Mueller of Chicago and Peter of Toronto.

The newest coiffures all definitely feature the upward trend. With this in mind, Mrs. Fraser has also made a careful inspection of the latest equipment for beauty parlors while she was in the east.

Never Saw a Show
BRENTWOOD, Eng. — Miss Elizabeth Buler of Nine Ashes, who died here, aged 100, was a farmer's daughter who had never been to a show and had her first and only motorcar ride in 1935.

New Wing Is Opened At Home For Aged Women

Lieut. Governor Congratulates Board and Pays Tribute to Mrs. Wm. Grant; Mayor Speaks; Generous Gifts

Donations of 270 pieces of linen and \$200 in cash, in addition to the receipt of a cheque for \$300 from the estate of the late Mrs. Ella Norah Williams, the gift to be known as "a gift from the late Capt. Samuel Williams," her husband, were among the material gifts which accrued to the Aged and Infirm Women's Home yesterday afternoon, on the occasion of the linen shower and tea held in conjunction with the formal opening of the new wing.

His Honor the Lieutenant-Governor formally opened the new wing in the presence of a large gathering, which included Mayor and Mrs. Andrew McGavin and members of the City Council, Mr. W. T. Straith, M.P.E., and Mrs. Straith, and several hundred friends of the institution.

TRIBUTE TO PIONEER

Mrs. W. L. Clay, president of the Home board, gracefully welcomed His Honor, who expressed regret that indisposition had prevented Mrs. Hamber's attendance at the function. He congratulated the board upon its efficient management of the Home, which, from small beginnings, had grown into an important asset to the community and for 40 years had carried on a fine humanitarian work.

Reference was made by His Honor to the noble women who had given freely of their time and effort in the interests of the Home, and paid tribute to Mrs. William Grant, the only surviving member of the original board, thanking her for her 40 years of kindly interest and devoted service, and expressing the hope that she might live long to carry on the work. The Home and its board deserved the fullest appreciation and support of the public, said His Honor, in conclusion.

CONGRATULATIONS FROM MAYOR

Mayor McGavin, on behalf of the city, added his good wishes and congratulations to the board on its able management and progressive ideas, as evidenced in the opening of the new wing. After adding his tribute to Mrs. Grant and her associates in the inception and maintenance of the Home, the mayor testified to its value to the community, and promised his sympathetic consideration should the Home make any request of the city during his term of office.

MRS. WM. GRANT

Mrs. William Grant, in gracefully acknowledging the tributes, spoke of the work as a labor of love, and expressed her pleasure at being spared to see the

fruition of the hopes cherished by the original board, of which she had been a member. It had always been the policy of the board to "pay as we go," and she was thankful that as the need had arisen the means to meet it had invariably been forthcoming. Mrs. Grant then presented a beautiful Colonial bouquet to His Honor, asking him to convey it to Mrs. Hamber, and also presented a bouquet of similar flowers to Mrs. Andrew McGavin.

TOUR OF NEW WING

After the formal opening ceremonies, held in the dining-room, His Honor, who was accompanied by Mr. A. M. D. Fairbairn, was conducted on a tour of inspection of the new wing. Two of the attractive new rooms have been furnished as memorials, one, the gift of Mrs. J. L. Crimp, Mrs. A. D. Whittier and Mrs. John Grant, honoring the memory of their mother, the late Mrs. Harriet Carne, who was one of the original board members; the other, the gift of Mrs. Agnes M. Ellis, perpetuating the memory of her parents, the late Mr. and Mrs. E. C. Johnson.

Two handsome mantel clocks were also given, one from the Navy League Chapter, I.O.D.E., in appreciation of the work of one of its members, Mrs. A. D. Whittier, who is an active member of the committee of the Home, the other given by the Bishop Cridge (Ministering) Chapter, I.O.D.E.

TEA SERVED

An energetic committee, headed by Mrs. Whittier, served tea. Assisting with tea arrangements were Mrs. F. W. Vincent, Mrs. E. Heddie, Mrs. G. A. Lister, Mrs. E. L. Bean, Mrs. William Grant and Miss O'Brien, while those serving the tea were Mrs. V. Sabiston, Mrs. H. Sabiston, Mrs. Albert Sabiston, Misses Kay Erb, Betty Scott, Almee O. Heddie, Margaret Hughes, Ruth McTavish and Geraldine Kent.

Mrs. Harold Grant had charge of the silver collection which included a gift of \$100 from Mr. Elwood Watkins. Mrs. D. C. Sabiston and Mrs. David Scott received the gifts of linen. The attractive floral decorations throughout the home were in charge of Mrs. D. D. McTavish, Mrs. D. C. Hughes and Miss Ethel Helmen.

The committee acknowledged with gratitude the gift of ice cream for the inmates' supper last night, this having been provided by the Northwestern Creamery.

At Versailles

The Duchess of Windsor is shown on her way to a recent reception given her by Mayor Henri Hayes of Versailles. Her suit is a two-tone effect of pastel tint hip-length jacket over a dark woolen skirt, slightly flared at the hemline. A pillbox hat with face veil, silver fox scarf and long gloves complete the outfit. The Duke is behind her.

Only human beings and certain kinds of apes have flat-nails on fingers and toes.

BARBARA'S BLIND BARGAIN

REVOLUTIONARY NEW "NO-SCRUB" SOAP

Soaks Out Dirt in 15 Minutes—Yet Acts With Positive Safety To Washable Colors, Hands

MILLIONS of wash-weary women are finding relief in this amazing way. For here's a "no-scrub, no-boil" soap that's really safe! A revolutionary, new soap that soaks out dirt in 15 minutes...yet banishes forever the fear of faded colors and red, rough hands! OXYDOL was perfected by the makers of gentle Ivory soap at a cost of over \$1,000,000. And does these 4 astonishing things—
(1) Soaks out dirt in 15 minutes, without scrubbing or boiling. Even extra "grimy" spots come white with a few quick rubs between the fingers. (2) Cuts washing time 25% to 40% in tub or machine. (3) Gets white clothes 4 to 5 shades whiter, as proved by scientific tests. (4) Yet so safe that every wash-

able color comes out sparkling, brilliant, fresh! Oxydol is economical, too. Tests show that a package often goes one-third to one-half again as far as less modern soaps. Thus it saves you money, too.
So try Oxydol without fail. Save your clothes, save your money—and save yourself from washboard wear and tear.
If you have a washing machine, don't fail to try Oxydol. For Oxydol's soaking action—plus washing machine action—gets clothes so much whiter you'll scarcely believe your eyes.
You can get OXYDOL at all dealers. Ask for a package today. Procter & Gamble.

Pageantry For Victoria Day

Colorful Celebration at Royal Athletic Park Among Celebration Features

Queen Victoria was crowned Queen of England 100 years ago. Her birthday falls on May 24, and to celebrate this notable event it is only fitting a special effort should be made to mark the occasion.

The City Council has asked the School Board to present an entertainment for the morning of May 24, in the Royal Athletic Park.

The entertainment will take the form of a display, featuring the physical exercises and dance of the high school, junior high school and the elementary schools of the city.

The exercises and dances will be preceded by a triumphal march of the May Queen with an elaborate retinue. The way will be heralded by a company of cadets from the various schools and the royal party will be followed by the numerous groups of entertainers.

To pay honor to the occasion medieval England, Elizabethan England, puritan England, French-Canada, Africa, Australia and India will come to life and pay their homage to the Queen of May.

These colorful costumes will form a background, with the Queen and her retinue in the centre for the figure matching, club swinging, tumbling, pyramids, Maypole, English and Scottish dancing, and a grand dance of joy in which the Queen of May is crowned for another year. If the weatherman is kind and complete co-operation is forthcoming a magnificent hour-and-a-half's entertainment will be offered by the pupils and teachers of the public schools freely to bring happiness and remembrance on this auspicious occasion.

WILL IMPROVE BURIAL PARK

Further plans for the beautification of the grounds, particularly around the new crematorium, were discussed by the Royal Oak Burial Park board of trustees during their inspection of the cemetery yesterday afternoon.

The group, including Aldermen John A. Worthington, R. A. C. Dewar and James Adam representing the city, and Chairman H. C. Oldfield as well as Councilors John Oliver, and George Austin of Saanich, expressed satisfaction with the general condition of the park.

Arrangements will also be made shortly for a memorial service late in May, the committee decided.

Ancient Tibet was the home of the buckwheat cake.

WHY YOU SHOULD INSIST ON

QUALITY BEEF

The difference between better grade Beef and common Beef may be only a few cents. But THE QUALITY BEEF sold by THE BAY has all these qualifications:

- From grain-fed, well-bred, government-inspected cattle.
- Fine texture, well mottled with fat. Gives you that succulence, tenderness and flavor that stimulates the appetite.
- Little bone content in proportion to edible matter. More meat for your money.
- Greater food value; 95 per cent digestible.

INFERIOR BEEF AT ANY PRICE IS A MOST UNSATISFACTORY PRODUCT. IT IS ANYTHING BUT ECONOMICAL BUYING.

H B C RED RIBBON BEEF

Is the government stamped "CHOICE" grade from particularly well-bred and highly finished cattle. It is the best Beef procurable and is identified by the red ribbon-like stamp appearing on every cut.

THE H B C STANDARD QUALITY

Is our own grade, which we highly recommend as of first-class quality. THE QUALITY OF BEEF MAINTAINED IN THIS GRADE IS SUPERIOR TO MUCH OF THE BEEF ORDINARILY SOLD AS "THE BEST OBTAINABLE."

—H B C Pure Food Section, Lower Main Floor

New Policy For Camosun Paper

A pep meeting was held at Victoria High School yesterday afternoon for the purpose of advising the Camosun, annual publication of the school. Grant Willis, editor, announced the paper will be published along different lines than in other years. There will be no commercial advertising, and the publication will rely entirely on its circulation for finances. There will be more write-ups and more pictures featured. Free ice-cream has been offered to any Grade 9 or 10 class that gets 100 per cent sales.

Jack Pickford was master of ceremonies at the pep meeting, and introduced the various items. The High School swing orchestra, under the direction of Ray Whitehouse, rendered popular selections. Under the leadership of Ray Whitehouse and David Anstey, the audience joined in community singing to the tunes of "Sweet Rosie O'Grady" and "Row, Row, Row Your Boat." A comedy, "Romeo and Juliet," was staged. Ken Wilson took the part of the suitor, Dennis Perkins the part of the father, Doug Bailey the daughter, and R. Wood the recorder.

Over 2,000 women act as voluntary crop reports, furnishing the department of agriculture reports on crop and livestock conditions.

Modern Etiquette

By ROBERTA LEE

1. Should a woman who is having cocktails with a man give her order directly to the waiter, or tell the man what she wants?
2. Is it necessary for a girl to have a drink each time her escort has one?
3. Is one being rude to his hostess if he doesn't have a cocktail before dinner if the rest of the guests are having them?
4. Should a hostess show that she is disturbed when a guest spills a drink on the carpet?
5. Should one be careful where he sets a moist glass?

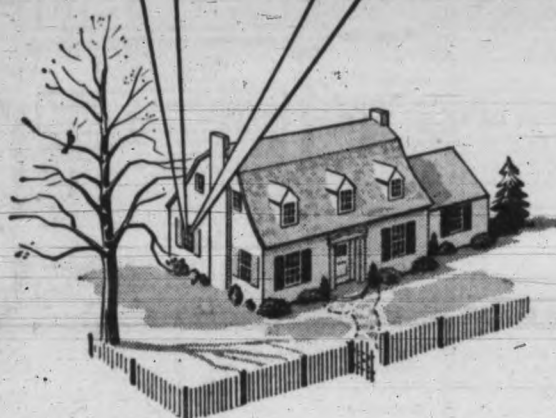

What would you do if—
You spill a drink on the chair in which you are sitting?
(a) Wipe up as much as you can with your handkerchief, and tell the hostess?
(b) Wipe up as much as you can, and hope no one will know who did the damage?
(c) Let it go?

Answers
1. Tell the man.
2. No. It isn't necessary for her to drink at all.
3. No. Though some people prefer to hold one without drinking it.
4. No. (One reason for guests not drinking too much is that they can do a lot of damage.)
5. Yes, for it is apt to mar furniture.
Best "What Would You Do" solution—"a."

LISTEN, MOTHER!

THERE'S A BIRD SINGING IN OUR TREE! IT MUST BE SPRING!

YES, DEAR, AND IT'S TIME TO CHANGE TO CRISPNESS. WE'LL HAVE KELLOGG'S CORN FLAKES FOR BREAKFAST.

Your family is hungry for crispness. Everybody's tired of the winter routine—hot, heavy meals day after day. That's why Kellogg's Corn Flakes taste twice as good this time of year.

Fill the bowls with those perfectly toasted flakes, and pour on milk or cream. You'll smack your lips over their delicious flavor—their crunchy crispness, as refreshing as a spring breeze!

Kellogg's are ready to serve. Rich in energy. Quickly digested. Order several packages from your grocer today.

Kellogg's Corn Flakes are always oven-fresh in the patented WAXTITE inner bag. Matchless flavor and crispness. Many generous servings for a few cents. Made by Kellogg in London, Ont.

TUNE IN—Boys and Girls will be thrilled with "Howie Wing—A Saga of Aviation." Every Mon., Tues., Wed., Thurs., at 5.45 p.m. over Stations CJPB, CJRM, CFNC, CJCA, CJOR.

Learn this easy, pleasant way to guard your teeth and health—with WRIGLEY'S GUM

Chew Wrigley's Gum after every meal. Dentists recommend it as a daily chewing exercise—helps keep teeth strong, white, healthy by removing particles of food that remain between the teeth.

The delicious, refreshing flavors of Wrigley's assure sweet breath, improve your personality. Aids digestion and relieves that stuffy feeling after meals. Helps keep you healthy!

Every day millions enjoy this invigorating chewing exercise. Four unique flavors: long-lasting Spearmint, refreshing Double Mint, luscious Juicy Fruit and delicious P.K. Get several packages today from your grocer, tobacconist, drug store, or confectioner.

Fine for Teeth!

Favor Preston For Cup Final

Sports Mirror

By PETE SALLAWAY

IT IS GETTING to the stage where eastern athletes will be burning the midnight oil and serenading coaches and managers with "Oh Where, Oh Where Have Our Championships Gone." Domination of the west in national competition continued Tuesday night in Ottawa when Vancouver Westerns captured the Canadian senior men's basketball championship with their third straight victory over the Capital City's Glebe Grads, eastern titleholders.

After scraping through to a pair of nerve-rattling victories by two-point margins the British Columbia boys put on a real show for the Ottawa citizens to win by 20 points. There was no doubt as to the better club in the final engagement with the Westerns showing the class that carried them to a smashing triumph over the Dominion in the provincial final.

Westerns' record on their way to the championship was a brilliant one, despite their handicap of having to play through one of the stiffest schedules in the history of any coast team's journey past the Rockies. After winning the B.C. title and heading east Coach Ted Milton's charges never lost a game. They took Raymond Union Jacks, Saskatoon Grads, Winnipeg St. Andrews and finally Ottawa in their stride. Granted several of the battles were captured by the barest of margins and one in Winnipeg went into overtime, never once did the Vancouver club falter.

As in their own provincial final the Westerns demonstrated in practically every series they are best when the pressure is on. Another feature of the Vancouver team's success is the fact they won a national crown with a small team. Of the five regulars, Bardsley, Mayers, Wright, Willoughby and Ross the latter named is the only one who can boast of over six feet to his credit. That alone is quite a feat but the Westerns specialized in a brilliant fast-passing offensive and lots of speed. Their defense was also mighty smooth as the Ottawa team found to its sorrow. Westerns' triumph was a notable one and they deserve to be congratulated.

Those who are interested in bringing back Canadian rugby football in this city, if they want their efforts to meet with success, want to do something towards educating the public in the rules of the game. When this city had a squad in the "Big Four" several seasons ago the main drawback was the fact that those who went to see the engagements knew nothing or very little about the sport. A goodly number of them wanted to become enthusiasts but they just couldn't work up the spirit without a general knowledge of the trend of play.

It might be a good idea to follow the example of prairie teams and organize a Boosters' Club. If sufficient interested clubs could be persuaded to get in and work in such a group the game would have a much better chance of going over in Victoria. According to reports plenty of players are willing to turn out and devote their time and energy in an effort to revive the sport and it will be too bad if their efforts go for naught. A Victoria team has been assured all the backing and support possible from Vancouver so that all that is needed now is for the cash customers to turn out regularly.

BRITISH GOLF CHAMP WINNER

Frank Pennick Beats J. H. Wales 1 Up in Fourth Round of Amateur Meet

LEEDS, Eng.—Frank Pennick, defending champion, today survived the fourth round of the English golf championship, defeating J. H. Wales of Skipton in the last hole of their match. Wales missed an 18-inch putt on the 18th to square the game. Surprise of the round was the defeat of the Walker Cup player, K. B. Scott of Crowborough, by D. J. Whitehead of Royal Lytham registered a last hole victory in defeating B. H. Chambers of Ashridge, 1 up. G. Stowe of Penn beat D. S. Coates of Fairhaven 3 and 2.

Odds Short For English Football Classic at Wembley Saturday

LONDON (CP)—The English football cup competition, entered by clubs from Cornwall to Northumberland, and played in preliminary rounds—on grounds ranging from suburban fields to streamlined stadiums, reached its climax on Saturday at Wembley Stadium, 93,000-seat enclosure. Wembley, young London borough famous for its huge bowl, is another of those places, like Aintree, Epsom and Putney, uneventful 11 months of the year and bursting into sports prominence almost overnight. Preston North End and Huddersfield Town clash in the blue-ribbon event this year.

The Grand National, the Derby and Oxford-Cambridge boat race all attract fans in varying degrees to districts where they are staged, but only the cup final brings 93,000 paid admissions a year in advance and nearly another 100,000 rejected applications for pastboards.

In view of the need for greater accommodation, Brig-Gen. A. C. Critchley, Calgary-born sports promoter, came forward with a plan to increase his 60,000-seat White City plant to 175,000 if given the playoff. But his Wembley rivals, holders of the current contract, announced an expansion scheme and were awarded the classic for the next 26 years.

Wembley will be increased to 156,000 by 1939, involving an expenditure of £70,000 (\$350,000) at the end of five years pressure for additional seats continues another 25,000 will be added.

As in the 1937 final, when Sunderland defeated Preston 3 to 1, this clash also will be an all North of England encounter. The last time these squads met in the final Huddersfield won 1 to 0 in 1922.

Cup-final matches produce upsets, and experts are wary of "calling their shots." The majority, however, are climbing out on the proverbial limb and favoring Preston on its record of shutouts in the preliminaries. "Proud Preston," one of the 12 original members of the league in 1888, clinched its first year's play by capturing the double-cup and league titles. "The team—well situated to duplicate this year—went through the original league campaign without a loss. It marked the first and only time a league entry has performed the feat."

Huddersfield's bid for entry in record books is shared by London's famous Arsenal club. Both teams have won the league trophy three times in succession, Huddersfield from 1920-22 and Arsenal 1933-35.

The Lancastrians opened the cup series with a 3 to 0 shutout (Turn to Page 14, Col. 1)

D. McCaig Wins

The opening singles handicap in Victoria Quilting Club competition was won by D. McCaig when he defeated S. Watt 21 to 19 in the final. First round games saw Watt beat T. Scouler 21 to 18 and McCaig defeat T. Alexander 21 to 17. Another singles meet will be held Saturday afternoon starting at 1.45.

Stagehand Picked By Riders to Win

Jury of Jockeys Names Howard's Entry to Capture Kentucky Derby

NEW YORK—By the narrow majority of two-votes a jury of 12 of the United States' foremost jockeys today named Maxwell Howard's Stagehand as the probable winner of the Kentucky Derby at Churchill Downs May 7. The Earl Sande-trained son of Sickle, conqueror of Seabiscuit in the Santa Anita handicap, received votes of confidence from five of the experts. Three cast their ballots for William Woodward's Fighting Fox, two for Dauber from William Dupont Jr.'s Foxcatcher Farm, and one each for W. S. Kilmer's Nedary and Hal Price Headley's Menow. Stagehand received the support of the Canadian riders, Dick Wall and Johnny Longden, and also of Johnny Gilbert, Lester Balaski and Earl Porter.

"The way he ran for me in the Santa Anita handicap against a horse like Seabiscuit, and with the Derby distance 1 1/4 miles, he looks good to me," said Wall. Jimmy Stout, who will ride Fighting Fox, Tommy Malley and Sammy Renick favored the Fox, Longley or Ernie Oliver.

Victoria Daily Times

Second Section Thursday, April 28, 1938 SPORT

Catcher Luke Sewell of the Chicago White Sox raced all the way down to third base to cover this play, but Rudy York, Detroit Tiger backstop, hit the dirt and slid safely into the sack in the fourth inning of the Sox's 4 to 3 opening day victory over the Detroit team at Chicago. Sewell was badly shaken up on the play.

Meet in Billiard Playoff Tonight

The first semi-final in the annual city billiard tournament will be played tonight when Eddie Newman and W. Crowther meet in the Metropolis parlors at 8. The other semi-final will be played tomorrow evening with A. McKittrick and Fred Smith battling for the final round.

McKittrick turned in a colorful exhibition when he scored an easy victory over Charlie Irish in the fourth round of the title meet. The game was featured by an 86 break by the winner at the opening of the match. Other results follow: W. Crowther 400, J. Ralston 376; E. Newman 400, J. Brindley 247; F. Smith 400, H. Brynjolfsson 243; A. McKittrick 400, C. Irish 154.

KNOCKOUT IS PREDICTION

Joe Jacobs Returns From Germany With News Schmeling in Great Shape

NEW YORK—Joe Jacobs returned from Germany today and predicted Max Schmeling would knock out heavyweight champion Joe Louis in the Yankee Stadium June 22. Jacobs, Schmeling's American representative, saw the German stop Steve Dudas in five rounds at Hamburg April 16 and declared he "never looked better in his life."

He thinks the Louis-Schmeling bout will gross more than \$1,000,000. Jacobs brought back with him a huge cuckoo clock for Louis. It cost him \$16.50 in Berlin and he had to pay 50 per cent duty. Jacobs said he had wanted to attend services at a synagogue in Berlin during the Passover holidays and was surprised to find there were several from which to choose. He attended one, he said, and found many other Jews worshipping there.

Auto Racing Will Open Here May 7

Five Seattle Cars Coming For Meet Under Floodlights at Langford

Speed demons of the Pacific Northwest will return to the Langford Speedway on Saturday, May 7, when the opening automobile racing meet of the season is staged. This was the announcement made today by Jack Taylor, manager of the track. The first race will start at 8. Taylor has just returned from Seattle where he completed arrangements to bring in some of the leading drivers of the coast to take part in the local races this summer. Smith stated that cars and pilots from Seattle, Everett, Tacoma, and Portland will come here. For the initial meet five American cars and drivers will be seen in action. Local drivers have been working on their cars all winter and are said to have lined up some "hot" jobs to put up against the invaders. Four new machines owned by Jimmy Laird, Johnny Wright, Bob Wensley and Fred Carson will be ready to take the track the first night under the floodlights.

Softball Entries To Close Saturday

Entries in the Lower Island Softball Association will close Saturday, Alf Longley stated this morning. Longley reported that there would be no extension date and urges all clubs planning to enter to do so immediately. Entries may be filed with either Longley or Ernie Oliver.

"Grand Trip" Says Martin On Return

Victoria Basketball Star Back in City After Tour With House of David

Minus his handsome bushy beard but packing 12 added pounds Albert (Red) Martin arrived home today after a successful basketball tour with the House of David Club of Benton Harbor, Michigan. Weighing 187 pounds, the heaviest he has ever been, Red looks in great shape after being on the road for four months and engaging in 86 battles.

The Davids wound up their tour on March 24 in the northern part of Iowa with a record of 80 victories and six defeats. The bewhiskered squad engaged in a series of 22 games with another touring outfit, winning 17 and dropping five.

On completion of the tour Martin proceeded to Chicago where he took in the game between Abe Saperstein's Harlem Globe Trotters and the New York Celtics. "The Celtics are the greatest team I have ever seen," Martin said. "I went expecting to look at a great bunch of players and certainly was not disappointed." To give one an idea of the tremendous size of this world-famous squad they have a pivot man weighing 250 pounds and standing six feet six inches. Three of their other regulars tip the scales to 240 while the two "little" fellows weigh around 190.

Leaving Chicago, Martin proceeded to Winnipeg where he renewed acquaintances with officials and former players of the Winnipeg Trollers. The Victoria boy spent two weeks visiting with Vic Driver and another week with George Wilson. While in the Manitoba capital Martin attended the games between Vancouver Westerns and Winnipeg St. Andrews. "As a matter of fact I acted as personal escort for the Westerns during their stay in Winnipeg," Albert stated.

Continuing home, Martin dropped off at Kelowna and spent a couple of days with Tuck and Bill Embrey, former residents of this city.

After playing in Victoria with the House of David early in the year Martin and his teammates worked down the coast to Los Angeles where they were located during the bad flood conditions. From California they jumped to Santa Fe, New Mexico, and then

Auto Racing Will Open Here May 7

Five Seattle Cars Coming For Meet Under Floodlights at Langford

Speed demons of the Pacific Northwest will return to the Langford Speedway on Saturday, May 7, when the opening automobile racing meet of the season is staged. This was the announcement made today by Jack Taylor, manager of the track. The first race will start at 8. Taylor has just returned from Seattle where he completed arrangements to bring in some of the leading drivers of the coast to take part in the local races this summer. Smith stated that cars and pilots from Seattle, Everett, Tacoma, and Portland will come here. For the initial meet five American cars and drivers will be seen in action. Local drivers have been working on their cars all winter and are said to have lined up some "hot" jobs to put up against the invaders. Four new machines owned by Jimmy Laird, Johnny Wright, Bob Wensley and Fred Carson will be ready to take the track the first night under the floodlights.

ASTON VILLA ARE WINNERS

Defeat Bradford 2 to 0 to Cinch English Second Division Soccer Title

LONDON—Aston Villa defeated Bradford 2 to 0 yesterday to become virtual champions of the English Football League's second division. The Villans need only one point in their remaining game to take undisputed possession of first place. In the event Aston Villa loses against Norwich City, Manchester United and Coventry City must win their two outstanding matches by mammoth scores to match the Midlanders' goal average.

The Villans, demoted from the major league two years ago, now have a two-point margin at the top of the division. Other games played yesterday resulted as follows:

ENGLISH LEAGUE

Division I—Chelsea 1, Charlton Athletic 1.
Division II—Aston Villa 2, Bradford 0.
Division III—Southern Section—Bristol City 2, Mansfield Town 1.
Division III, Northern Section—Darlington 2, Chester 1.
SCOTTISH LEAGUE
Division I—Ayr United 1, Partick Thistle 1.

LOS ANGELES—Dean Detton, 210, Salt Lake City, defeated Sandor Szabo, 215, Hungary, two of three falls.

In one of the closest and fastest games witnessed this season in mid-week soccer company, Hudson's Bay sneaked through with a 1 to 0 triumph over the Navy footballers in the Adam Cup final yesterday afternoon at the Athletic Park to add that trophy to the list of achievements for the season.

The game was worthy of considerable more fan support and those who turned up at the enclosure really got their money's worth. It was plenty hot toiling under the blazing rays of Old Sol but neither side slackened the heated pace.

Actually it was anybody's game from start to finish. Play swung from end to end repeatedly on the fast pitch during the 90-minute scrap—which, incidentally, was the concluding chapter to another season of Wednesday football.

WINNING GOAL

The goal that did the trick for the greenshirts came about midway through the final canto. Maurice Speller, left winger, whose performances in that lane have brought him plenty of applause of late, did the honors. He took Bob Preston's cross on the head and on its descent slammed the leather between the uprights with his boot. Just prior to that George Wyatt's hot penalty kick all but tore the goal out of its moorings when it hit the left-upright.

The teams traveled through

Blasting Giants In Tie For League Lead

Miss Peterson Beats Medalist

Scores 4 and 2 Win Over Mrs. Horsford in Cowichan Golf Meet

DUNCAN—Miss M. Peterson, last year's winner, defeated Mrs. B. R. Horsford, Victoria medalist, 4 and 2, in the semi-final of the annual Rose Bowl competition at the Cowichan Golf Club in the second day of play Tuesday. Miss Jean Duncan, last year's runner-up, defeated Mrs. Hadley of Victoria 3 and 2.

CHAMPIONSHIP

Mrs. Horsford won from Mrs. Aldersey, 5 and 4.
Miss M. Peterson won from Miss Jean Campbell, 3 and 1.
Mrs. Hadley won from Miss Phoebe Hyman, 1 up.
Miss Jean Duncan won from Mrs. Tomlinson at the 19th.

SEMI-FINAL

Miss Peterson won from Mrs. Horsford, 4 and 2.
Miss Duncan won from Mrs. Hadley, 3 and 2.

FIRST FLIGHT

Miss Campbell won from Mrs. Aldersey, 1 up.
Miss Hogan won from Mrs. Tomlinson, 2 and 1.

SECOND FLIGHT

Mrs. Hudson won from Mrs. Percival, 1 up.
Mrs. Preston won from Mrs. Percival, 4 and 3.
Mrs. Howell won from Mrs. Coombe at the 19th.

SEMI-FINAL

Mrs. Peterson won from Mrs. Horsford, 5 and 4.
Miss Jones won from Mrs. Howell at the 19th.

THIRD FLIGHT

Mrs. Nickson won from Miss K. Moran, 7 and 5.
Mrs. Kennett won from Mrs. Wright, 1 up.
Mrs. Smith won from Mrs. Droob, 8 and 7.
Mrs. Shave won from Mrs. Walby, 6 and 5.

SEMI-FINAL

Mrs. Nickson won from Mrs. Kennett, 5 and 4.
Mrs. Shave won from Mrs. Smith, 4 and 2.

TONIGHT'S DRAW

8.00—Doubles final: W. Williams and W. Cull vs. D. Peirce and Kirkham.
Singles final—R. J. Wood vs. J. Leiper.

Ladies' singles, semi-final—Mrs. A. Stewart vs. Mrs. Kirchin.
Final ladies' singles to be played Friday evening.

HOLYOKE, Mass.—George (Dazzler) Clark, 218, Scotland, defeated Dr. Freddie Meyers, 220, Chicago, two straight falls.

GRADS LIFT CAGE TITLE

Edmonton Girls Defeat Toronto 58 to 13 to Win Canadian Championship

EDMONTON—With the elusive Noel MacDonald dropping home 22 points, 10 field goals and two foul shots, Edmonton Grads walloped Toronto British Consols 58 to 13 here last night to capture the Canadian women's basketball championship in three straight games. It was the 13th national crown for Coach J. Percy Page's girls.

It was a great comeback for Miss MacDonald after she was forced out practically the entire second game through injuries.

Club Whips Phillies Twice

Scores 7-3 and 11-6 Wins to Move Up With Pittsburgh; Yanks Take Two

The biggest change of the baseball season has come over Manager Bill Terry, whose New York Giants were in a dead heat with Pittsburgh today for the leadership of the National League, each with eight wins and one loss.

Bill not only has not bitten a single sports writer to date, but he is doing his coaching now from third base and spending practically all his time signalling his men to hit the ball. In past seasons Bill's idea of offensive strategy was to draw a walk, then sacrifice and then score, if possible.

It must not have been bad strategy, as witness the Giants' record of three pennants in five years under the old colonel. But now Bill has tossed all that overboard and has his boys swinging from their shoetops. They have hit 13 home runs in their first nine games, among other assorted violence.

In swamping the Phillies twice yesterday, 7 to 3 and 11 to 6, the Polo Grounders pummeled a total of 27 hits, and Terry didn't signal for a punt all afternoon. They best demonstrated their new-found power in the seventh inning of the second game, when they put over six runs on five solid smacks, including home runs by Hank Leiber and Joe Moore.

CUBS GO UNDER

Pittsburgh prevented the Giants from taking the lead by defeating Chicago Cubs, 6 to 5. Arky Vaughan, slugging Pirate shortstop, supplied the winning margin when he hit the jackpot in the seventh inning—A home-run with the bases loaded. Larry French was his victim.

The Brooklyn snapped a four-game losing streak by belting four Boston Red Sox twirlers for 17 hits and a 13 to 2 victory. Freddie Fitzsimmons pitched nice ball for the winners, allowing only one hit for the first six innings.

Lon Warneke brought St. Louis Cardinals out of their prolonged slump with a 5 to 0 shutout of Cincinnati, in which he gave up only three hits. Mickey Owen, Card catcher, rapped out three doubles.

Cleveland Indians remained on top in the American League, though they suffered their first defeat since opening day at the hands of Chicago White Sox, 6 to 3. Thornton Lee became the first Sox pitcher to last the limit this year.

The Yankees finally won two in a row at the expense of Philadelphia, 9 to 2, and their 16 hits would indicate the champions are at least finding the range. Red Ruffing stopped the A's cold after the second inning, when rookie Dario Lodigiani hit a homer with one on. Joe DiMaggio was expected to add his big bat to the swelling Yankee chorus when they faced the Red Sox today at the Stadium.

Jimmy Deshong pitched Washington Senators into second place with a 5 to 2 performance over Boston. The veteran Ossie Bluege knocked in two of the winners' runs with a double and single, and scored twice himself.

St. Louis Browns gave Detroit a 7 to 2 beating. Buck Newsom hurled his third complete game and his third straight victory as he set the Tigers down with four safeties.

COAST LEAGUE

When and if, as expected, Joe DiMaggio belatedly takes up his bat for the New York Yankees today, he may be inspired by the example of his little brother in the Coast League.

Dominic, the youngest of the baseball playing brothers, made up for a late start by a hitting and outfielding display which helped the San Francisco Seals beat San Diego, 6 to 0, last night.

The baby of the DiMaggio trio of Joe, Vince (with the Boston Bees) and Dominic, had gone 20 times to the bat since the season (Turn to Page 14, Col. 1)

Beautiful New Store Is Open For Business

Jewelry Firm Now In New Premises

Joseph Rose Limited, Well-known Jewelers and Opticians, in Handsome New Quarters on Douglas Street; Simulated Birthstones Free to Adult Visitors Friday and Saturday

One of Victoria's handsomest new stores, that of Joseph Rose Limited, jewelers and opticians, 1317 Douglas Street, will be officially opened for business tomorrow. The free distribution of simulated birthstones to every adult visitor tomorrow and Saturday will be a special feature commemorating the occasion.

For more than 49 years, the firm was located on Government Street, south of Fort Street, and prior to that occupied premises on the southwest corner of Johnson and Douglas Streets.

Occupancy of the beautifully-decorated new premises on Douglas Street is significant of the steady progress made by the firm during its long career in Victoria.

DIAMOND SPECIALISTS
Joseph Rose Limited has always specialized in diamonds,

set in a great variety of rings, pendants, ear-rings, etc. It has the special agency for the famous Bluebird Diamonds, which are guaranteed perfect. These rings are guaranteed against loss as well as against imperfections. Any ring, or even the diamond, itself, if lost within one year, is replaced free of charge. The Bluebird is considered one of the most popular and most economically-priced diamond rings on the market.

WATCH REPAIRS

Special attention has been paid to the watch repair department. Here are correct parts for almost every known watch; modern electric lathes, and tools. Also, the most modern method of watch timing, an instrument known as the Micrometer, a new scientific marvel, has been installed—the only one in Victoria. This instrument, by an ingenious method of radio and Neon control, actually counts the ticks of the watch and instantaneously indicates the number of seconds the watch is in

error. With this instrument it is now possible to repair and regulate watches in one-third of the time formerly required. Mr. Rose invites Victorians to come

—Photo by Savannah.
JOSEPH ROSE

in and have their watches regulated while they wait—Free. This department is under the direction of A. K. Jackson, an expert watchmaker. An up-to-date office with a

modern Kardex system has been installed to take care of the growing volume of credit accounts, under the supervision of Miss J. Strachan.

A special workshop has been built for the manufacturing of diamond setting and repair of jewelry. The shop contains rolls, cutters, appliances for the melting and casting of gold and the making and polishing of jewelry, etc., under expert workmen.

OPTICAL LABORATORY

Especially built and lighted is the optical laboratory, where the grinding and fitting of lenses is carried on. This contains the most minute instruments required to finish the glasses to conform to the requirements of the examination of the eyes, as performed by Joseph Rose.

Joseph Rose is a well-known and skilled optometrist, who has practiced optometry in this city for the past 25 years. The optical room has been specially built on the most modern and approved lines. The precise instruments are of the most modern type.

Joseph Rose Limited also carries a complete line of the most modern hearing instru-

ments, which are always in stock.

The decorative scheme was designed by G. E. Prentiss and delights the eye with harmonious colors. The show cases are made of Honduras mahogany and finished with Belgian plate glass.

ON MODERN LINES

The new store front, built on the most modern lines, employs Vitrolite in a beautiful maroon color. This is imported from Belgium and was specially designed by Graham Johnson. The tiles, specially selected to harmonize, were laid down by Wm. O'Neill Company. The lighting, as designed by a lighting expert, was installed by Macdonald Electric. The windows contain 22 lights with special reflectors, regulated by an electric clock designed to put on and shut off the lights automatically.

The store is equipped with the New Pacific Forced Air Unit. This heats and air-conditions the store and is controlled by a thermostat.

Both doors and windows are protected by an ingenious burglar alarm—the first device of its type to be installed in Victoria. Joseph Rose Limited is sole Victoria agents for Gruen watches.

★ GRAND OPENING ★

At Our New Store—1317 Douglas Street

For twenty-five years we have been in business... a quarter of a century of continuous service. Through war years and boom-times, through good times and bad, the passing decades have seen us grow, from a little store to an established business which has taken on civic importance. Now we have moved, establishing ourselves in a new, modern store, situated in a central location for the convenience of our patrons. In this, our opening event, we extend a cordial invitation to one and all to visit our new premises.

Our Growing List of Patrons Testifies to Our Sound Policy

On our inception we dedicated our business to the standards of honesty, goodwill and value... we are proud of the growing list of customers and we like to think that they have appreciated our unvarying service, our fine merchandise and our honest dealings. Now, as in 1913, we strive to improve... to give greater value to our patrons.

WE TAKE THIS OPPORTUNITY

of thanking Victoria for the support that has been accorded us and to express our gratitude for any future business which may be entrusted to us.

LET US TELL YOU OF ROSE'S CREDIT PLAN

New Oil Firm Has Office Here

Victorians in New Company; Zeballos Lumber Project

A new Victoria company for oil development was granted incorporation in British Columbia this week. It is called the Taber Kamorley Oils Ltd., with \$500,000 capitalization and head offices at 318 Central Building. Original subscribers are given as E. T. Brown of Calgary, T. Ford of Sidney, and G. H. Meredith, H. W. R. Moore and J. H. Beatty, all of Victoria.

The companies list was quite active this week with nine other provincial firms incorporated, two extra-provincial firms and five societies.

The list follows:
Zeballos Lumber Co. Ltd., \$10,000, Port Alberni.
White Rock Lumber Co. Ltd., \$10,000, Vancouver.
United Scottish Societies Auditorium Ltd., 100 shares no par value, Vancouver.
Mission Farm Products Ltd., \$25,000, Vancouver.
Kennedy Bros. Ltd., \$25,000, New Westminster.
Robert Campbell Ltd., \$10,000, Vancouver.

Under the leadership of Miss Dermott Bailey, the choir of the Belmont Avenue United Church will present a minstrel concert tonight and tomorrow.

The program will include choral and instrumental numbers and solos. Rev. Bryce H. Wallace will act as interactor, and Miss Gertrude Evans will be the accompanist.

Stolen Cheques Are Cashed Here

Special Investigator Trailing Man With Worthless Travelers' Blanks

Cashing of stolen travelers' cheques, which have been passed on various merchants and business houses in the city, was being investigated here today by H. O. Montgomery, special investigator of Seattle.

Mr. Montgomery is seeking trace of a person who apparently figured in the theft of the cheques from the East River Savings Bank, New York in April, 1936.

The cheques have been traced both in Vancouver and Victoria. In Vancouver they were passed on April 16 by a man who signed himself "Ben-Burns." Within the last 10 days a total of \$590 has been passed in Victoria.

Merchants who have been the victim of the culprit lose the amount of the cheques they cash as they are not being honored by the New York bank.

While in the city Special Investigator Montgomery is being given every assistance by Detective Inspector J. H. Rogers and members of the plain clothes department.

COLLECTIONS IN CITY GOOD

Slight Reduction in Prepaid Totals Causes No Concern to Collector

Despite an adverse difference of \$2,074 in the collection of current taxes up to last night, when figures are compared with those for the same period last year, officials of the city collector's department today expressed satisfaction over the manner in which advance tax payments have been made this year.

Up to last night current taxes collected amounted to \$479,680. Last year at the same date they were \$481,754.

This year one of the major taxpayers, who last year deposited \$30,000 with the city at the beginning of April, has not yet paid. However, the department is assured of collecting the amount shortly and should, as a result, have a favorable balance. This year the levy is based on a total of about \$50,000 below that of 1937, owing to the lower tax rate and the reduced assessment.

In the arrears division, collections to date stand at \$60,018.49 against last year's figure of \$70,202. A drop in the total paid in this year is expected since there is approximately \$150,000 less outstanding.

There will be military 500 at Liberal headquarters tomorrow night at 8, under the auspices of the Victoria Liberal Association social committee. There will be 14 good prizes and refreshments will be served by the ladies and a large turnout of members and friends is expected.

Dances Tomorrow

The appeal in the action of the Attorney-General of British Columbia and Salter, in which the former is appealing a Supreme Court decision setting aside a claim of the Department of Lands, forestry branch, against the estate of a bankrupt lumber concern, was transferred by the Court of Appeal to the list for the Vancouver session. Certain judgments from the current sitting will be handed down on Tuesday.

More than \$100 in fines and court costs was collected from six motorists in the Provincial Police Court yesterday when they were arraigned before Magistrate Henry Hall on various charges. Fines totalled \$85 and costs \$17.50. Four men were fined \$10 and \$2.50 costs each for infractions of the Highway Act, and another \$5 and \$2.50 costs for failing to have a driver's license. Two other motorists were each fined \$20 and \$2.50 costs on common danger charges.

Suffering from a fractured pelvis and cuts in the back of her head, sustained when she was knocked down by a car yesterday, Mrs. J. E. Sparrow, Osborne Court, was reported fairly good at St. Joseph's Hospital today. The condition of Miss Dorothy Davis, 67 Wellington Avenue, who suffered an ankle injury in the same accident, was reported good. A city police report said Mrs. Sparrow, Miss Davis and Miss Antoinette Sparrow were crossing McCure Street at Blanshard Street last night when they were knocked down by a car driven by F. Daniels, 36 Government Street.

Gwen Cox, who will assist her sister, Dorothy Cox, in the dance display to be given at the Shrine Auditorium tomorrow night at 8.15.

TOWN TOPICS

A North Saanich pound district was established by government order today.

Lakeview C.C.F. Club will hold a 500 card party at Grists Hall, Douglas Street, tomorrow night.

H. G. Brockington and Robert H. Shanks, recently-elected members, were introduced to the Rotary Club at luncheon today.

St. Alban's Men's Guild will hold an auction bridge party, Wednesday, May 11. Carpet bowling and other games were played at the meeting Monday.

William Francis, service station operator at Johnson and Quadra Streets, reported to city police \$11 was stolen from his cash register yesterday morning.

The annual meeting of the League of Nations Society will be held May 11 in the Memorial Hall. Capt. Elmore Philpot will address the meeting on the international outlook.

After collapsing while having a cup of coffee in a cafe last night, Roy Thompson, Sooke, was taken to the Jubilee Hospital by city police. He was reported quite good at the hospital today.

Bank clearings in the city for the week ending today were \$1,669,768, according to a statement issued this morning by the Victoria Clearing House. Figures for the corresponding period last year were \$1,610,662.

Dr. I. McTaggart Cowan, assistant biologist of the provincial museum, left Victoria today on a three months' collecting tour of the Peace River area. He hopes to collect biological specimens from the sparsely-settled northern region.

Charlie Banfield, Wm. Boate, Arthur Brown and Jack Doe have been elected to the board of directors of the Rotary Club. It was announced at the club luncheon today at the Empress Hotel. They will serve a two-year term.

The April meeting of the Victoria and Island Life Underwriters' Association will be held tomorrow at 12.10, in Terry's dining room. Frank Paulding will address the meeting on the subject, "Personality." A large turnout is requested.

A. Knight was granted a permit by the city building inspector's department today for the construction of a five-room stucco dwelling at 414 Government Street. The value of the structure is set at \$2,800, with Louis Jarvis listed as contractor.

An invitation to Mayor Andrew McGavin and members of the City Council to attend the annual I.O.D.E. ceremonies in front of the statue of Queen Victoria in the Parliament Buildings grounds on the morning of May 23 was received at the City Hall today.

A copper bracelet, marked with an arrowhead pattern and overlaid with beaten gold, that may have been made for an Indian princess, has been added to the Indian relics of the provincial museum through the courtesy of T. W. S. Parsons, assistant commissioner of B.C. police who found it on the East Saanich Indian Reservation. Delicate workmanship was shown in the ornament, which was of a size to fit a woman's wrist.

The appeal in the action of the Attorney-General of British Columbia and Salter, in which the former is appealing a Supreme Court decision setting aside a claim of the Department of Lands, forestry branch, against the estate of a bankrupt lumber concern, was transferred by the Court of Appeal to the list for the Vancouver session. Certain judgments from the current sitting will be handed down on Tuesday.

More than \$100 in fines and court costs was collected from six motorists in the Provincial Police Court yesterday when they were arraigned before Magistrate Henry Hall on various charges. Fines totalled \$85 and costs \$17.50. Four men were fined \$10 and \$2.50 costs each for infractions of the Highway Act, and another \$5 and \$2.50 costs for failing to have a driver's license. Two other motorists were each fined \$20 and \$2.50 costs on common danger charges.

Suffering from a fractured pelvis and cuts in the back of her head, sustained when she was knocked down by a car yesterday, Mrs. J. E. Sparrow, Osborne Court, was reported fairly good at St. Joseph's Hospital today. The condition of Miss Dorothy Davis, 67 Wellington Avenue, who suffered an ankle injury in the same accident, was reported good. A city police report said Mrs. Sparrow, Miss Davis and Miss Antoinette Sparrow were crossing McCure Street at Blanshard Street last night when they were knocked down by a car driven by F. Daniels, 36 Government Street.

WORLD-WIDE MEETING HERE

First International Correspondence Education Conference in August

Victoria this summer will be the scene of the first international conference on correspondence education ever to be held. Superintendents of education throughout the United States, Great Britain, Australia, New Zealand, South Africa, the various Central and South American republics and a number of European countries have been invited by Hon. G. M. Weir, Minister of Education, to send representatives to the meetings.

University presidents, educational supervisors of Civilian Conservation Corps camps in the United States and other educationalists have also been invited. The conference will open at the Empress Hotel on the afternoon of August 22, and will close August 24.

A number of national conferences on correspondence education have been held in the United States in recent years, but the coming convention will be the first of its type to be held on an international scale.

R. C. Haight of the Department of Public Instruction of the State of Montana will preside at the meetings. Dr. K. O. Broady, professor of school administration at the University of Nebraska, will be secretary. The organizing secretary for the conference is J. W. Gibson, Victoria, director of high school correspondence instruction with the Department of Education.

The program committee is made up of Mr. Gibson, Earl T. Platt, director of supervised correspondence study at the University of Nebraska (chairman) and Dr. Frank W. Cyr, assistant professor of education at Teachers' College, Columbia University, New York.

The agenda for the conference includes discussions on questions of curriculum and vocational guidance. A prominent place will be given to consideration of the use of the so-called socializing agencies, such as the radio, in education.

An announcement of the conference, distributed throughout the world, lists the purposes of the gathering as follows:

"In bringing together leaders in the movement for correspondence instruction and supervised correspondence study from different countries, an opportunity will be afforded for an exchange of experience and an examination of widely different points of view; for the evaluation of results already achieved and the consideration of unsolved and difficult problems; for the examination of different techniques and a possible standardization of the most approved procedures in the preparation of courses and in administration.

"In short an attempt will be made to determine such policies as shall make for the most effective utilization of the correspondence method of instruction."

The folder mentions that correspondence instruction in relation to adult education will also be considered. The prospectus describes Victoria, which it says "is rapidly becoming the favorite convention city of the northwest," outlines drives and sea trips in this area, and stresses for the benefit of foreign visitors that Vancouver is not connected with Vancouver Island.

Cyril Large, sectional organizer of regional Division No. 12349 Technocracy, Inc., at Vancouver, will speak at the K. of P. Hall tonight after completing a lecture tour of Washington State and Vancouver Island. He has also the Farad organization under his supervision; this is composed of boys and girls up to the age of 21 years. He will lecture one afternoon each week at the Vancouver Technical High School. He will speak tonight on "Technocracy Is Science Applied to the Social Order."

Three justices of the peace were named by provincial government order today as follows: C. G. Morgan, Vancouver police court clerk; W. H. Eassie, Germanson Creek and Sub-inspector J. H. Johnson of the provincial police at Prince George. George Smith of Choate was appointed a stipendiary magistrate for New Westminster County and the resignation of G. T. Matthews of Salmo as a justice of the peace was accepted. Acting forest rangers C. L. Armstrong and W. S. Hepler were named constables to enforce the Forest Act.

OBITUARIES

FRANCIS JOHN CLARKE

The funeral of Francis John Clarke, who passed away yesterday at the Royal Jubilee Hospital, will take place on Saturday afternoon at 2 in Sands Mortuary Chapel. The remains will be laid at rest in the Colwood Burial Park.

GEORGE RUNNEY

The funeral of George Runney will be held from the Thomson Funeral Home tomorrow afternoon at 2. Rev. P. C. Hayman will officiate and interment will be in Ross Bay Cemetery. Mr. Runney was born in Cornwall, England, 86 years ago, and had resided in British Columbia for about 30 years, during which he had prospected and worked at mining in different parts of the province.

MARY AGNES MOSS

Funeral services were conducted this morning in St. Andrew's Cathedral for Mrs. Mary Moss, Rev. Father K. Moreau celebrating mass. Many friends attended the service and a number of floral offerings were received. The pallbearers were: H. Button, J. Robinson, J. P. Colins, A. G. Brown, D. Crawford and G. Jones. The remains were laid at rest in the Ross Bay Cemetery. Sands Mortuary were in charge of arrangements.

MARGARET TILLESSEN

Many friends attended the funeral of Margaret Tillesen, which took place yesterday afternoon from McCall Bros' Funeral Home. Rev. A. D. Reid, D.D., conducted the service, during which the hymns "Shall We Gather at the River" and "Safe in the Arms of Jesus" were sung. Interment was in Colwood Burial Park with the following as pallbearers: J. N. Holland, A. C. Ross, F. Grieve, H. B. Pritchett, F. W. Baylis and G. S. Hall.

WM. M. B. MACMULLEN

Funeral services for William Maxwell Brown MacMullen took place yesterday afternoon at Sands Mortuary Chapel. Canon H. W. G. Stocken officiated. Mrs. S. M. Morton rendered the solo, "Rock of Ages," and the hymn sung was "Lead, Kindly Light." Beautiful floral offerings covered the casket. Chris H. Newton, Harold R. B. Newton, J. Wilson and B. Longhurst acted as pallbearers, and the remains were laid at rest in Royal Oak Burial Park.

ALLEN B. BURROWS

Funeral services were held yesterday afternoon, in McCall Bros' Funeral Chapel, for Allen B. Burrows. A large number of friends attended and the casket was banked with many floral tributes. Canon H. W. G. Stocken officiated, during which the hymn "Nearer, My God, to Thee" was sung. Interment was made in Colwood Burial Park, with the following as pallbearers: R. Armstrong, R. Benson, L. McKnight, A. Walter, J. Davey and J. Spelman.

ALBERT E. HOLE

Albert Edward Hole, formerly of Hanchinger Avenue, Victoria and Myrtle, Manitoba, passed away at the age of 67 years in Marshfield, Oregon, on April 2, according to word received here by David Gay, Lillian Road. He had resided in Canada 49 years. He is survived by his widow in England, two daughters, Mrs. Duncan Dasher, Long Beach, B.C., and one son in Myrtle. After services in the Church of the Nazarene, Marshfield, the body was cremated at Portland and the ashes shipped to Souris, Manitoba, for interment in the family plot.

JEREMIAH SULLIVAN

Jeremiah Sullivan passed away at the family residence, 2668 Cedar Hill Road, aged 80 years. Born in Detroit, Mich., Mr. Sullivan had been a resident of Victoria for 18 years. There survive his widow, at the residence; two sons, Anthony Charles, Sooke, and Thomas Edward, Victoria; five daughters, Mrs. W. Arden, Victoria, Mrs. E. Banner, Shirley, B.C., Mrs. O. French, Victoria, Mrs. W. E. Bryant, Burnaby, and Beatrice Gertrude, at home; 16 grandchildren and one great-grandchild. The remains are resting at Sands Mortuary and funeral arrangements will be announced later.

Water Supply For S.L.A.A. Hall

To assist the Shawanigan Lake Athletic Association in getting a water supply for its hall at Shawanigan Lake, the provincial government today agreed to convey a small part of the highway, near Shawanigan station, to the association for use as a pump site.

A free grant to the city of Vancouver of 25 acres of Mount View Cemetery was also approved. This land was part of the original cemetery reserve of 1891 and today's action gives clear title of the piece to Vancouver.

To clear the way for sale of 154 acres to the city of Penticton for use in protecting its watershed, the government removed this section of ground from the Little White Mountain Forest Reserve.

New Park Is Open To Public

Forestry Branch Workers Make Mt. Newton Beauty Spot Accessible

Beautiful John Deane Park on Mount Newton, Saanich, one of the island's outstanding beauty spots is now easily accessible to the general public, it was reported this morning by F. J. Baker, chairman of the North Saanich and Sidney Island Parks Board.

The fine work that has been done to open up this 50-acre wonderful virgin parkland to the public is a typical example of the efforts the forestry department of the provincial government is doing throughout the province to open up scenic beauty spots.

The park has many fine camping spots and fine trails have been constructed to the 1,000-foot Peak of Mount Newton, which offers an excellent view of the surrounding countryside. The park is situated 18 miles from the city, along East Saanich Road to Kings Road and then left on Kings Road.

The forestry department has constructed a fine road right up to the entrance of the park where parking space is reported to be ample. From there it is but a matter of 10 minutes walk by trail to the top of the mountain. It is believed that if public interest in this parkland is sufficient the government will continue the road to the top next year.

A grand opening is being planned for early in May under the auspices of the Sidney Boy Scouts, North Saanich Businessmen's Association, North Saanich Pioneer Association, other affiliated organizations and the Parks Board.

THREE YEARS FOR ROBBERY

Clarence McKenzie Convicted on Charge of Theft at Duncan March 28

Clarence McKenzie, convicted on a charge of breaking, entering and theft in Duncan on March 28, was sentenced to three years in the penitentiary by Judge H. H. Shandley in County Court today.

McKenzie, arrested in a Victoria rooming-house with a young woman and with jewelry and other stolen articles in his possession on the night of March 29, one day after the Duncan robbery, declared he had been given the articles by a Dave Phillips to take to Vancouver.

"I find you guilty of this charge. You were in exclusive possession and your answer is too thin," Judge Shandley remarked in passing sentence.

Sergeant G. A. Johnson, Duncan, testified to the arrest of the accused and the discovery of the stolen property in a suitcase owned by the woman in McKenzie's room.

Mrs. Elizabeth Martin, Trunk Road, Duncan, whose home was robbed, gave evidence of the discovery of the robbery the morning after it was committed. She identified certain pieces of jewelry and other articles.

Irene Craddock, with whom McKenzie was found in the rooming-house, stated she and the accused had driven down from Nanaimo to Duncan on the afternoon of the robbery. She had visited friends during the afternoon and had come to Victoria by bus with McKenzie late in the evening, registering at the rooming-house as Mr. Smith and wife.

IDENTIFIED JEWELRY

She identified rings and jewelry presented as exhibits and stated the accused had given them to her to put in her valise. In reply to the accused, she stated two other young fellows had visited the room earlier in the evening of the arrest.

Detective Henry Jarvis explained how the rooms had been kept under observation, how he with Provincial Police officers had entered them while the accused and Miss Craddock were there and had discovered stolen articles.

Constable Percy Hereward Brown, Provincial Police, also gave evidence of the arrest and valued certain of the stolen goods and jewelry at above the value of \$25. McKenzie took the stand to state he had come to Victoria from Duncan where he had met a Dave Phillips in a pool hall. Phillips, he said, had given him the "stuff" to take to Vancouver to check at the B.C. Electric checkroom.

At the close of his statement, his previous record was cited and sentenced was passed.

Three motorists paid \$15 in police court fines this morning. One was fined \$10 for exceeding the 30-mile-an-hour speed limit, and two others were fined \$2.50 for parking violations.

NOTICE TO CREDITORS AND OTHERS
IN THE MATTER OF the Estate of CLARENCE CHARLES JOHNS, Deceased, late of the Municipality of Saanich, Province of British Columbia.
NOTICE IS HEREBY GIVEN that all persons having any claims or demands against the late Clarence Charles Johns, who died on the 10th day of February, 1938, at the City of Victoria, in the Province of British Columbia, are hereby required to send by post prepaid or to deliver to the undersigned solicitors herein for Thomas C. Johns and Gordon S. Johns, executors under the will of the said Clarence Charles Johns, their names and addresses and full particulars in writing of their claims and statements of accounts and the nature of the securities, if any, held by them, duly verified by statutory declaration.
AND TAKE NOTICE that after the 26th day of May, 1938, Thomas C. Johns and Gordon S. Johns will proceed to distribute the assets of the said deceased among the persons entitled thereto having regard only to the claims of which they shall then have had notice and that the said Thomas C. Johns and Gordon S. Johns will not be liable for the said assets or any part thereof to any person of whose claim they shall not have then received notice.
Dated at Victoria, B.C., this 26th day of April, 1938.
BECKWITH & DAVEY,
Solicitors for the said Thomas C. Johns and Gordon S. Johns, 108-112 Belmont House, 805 Government Street, Victoria, B.C.

Bright Comedy At The Plaza

Patricia Ellis and James Dunn in "Venus Makes Trouble"

Delightfully nonsensical as to plot and joyously mad with situations and dialogue, Columbia's new comedy, "Venus Makes Trouble," which opens today at the Plaza Theatre, is a film farce. James Dunn and Patricia Ellis play the top roles. They are ably assisted by a fine cast that includes dizzy Gene Morgan, Thurston Hall and Astrid Allwyn.

The story starts in a small town where Buzz Martin (Dunn) is a sensational and irrepressible press agent. Kay Horner (Miss Ellis) is a private secretary to Banker Darrow (Hall) and in love with Buzz. Happy Hinkle (Morgan) is a commercial news photographer, not overburdened with intelligence, but canny enough to have saved up a few hundred dollars. Stuart Erwin stars in "Mr. Boggs Steps Out," which is also on the program. Helen Chamdler plays opposite him.

WESTMINSTER PAPER COMPANY LIMITED

To the Holders of Twenty-year Six and One-half Per Cent First Mortgage Debentures.

NOTICE IS HEREBY GIVEN that in accordance with the provisions of the Trust Deed dated the 1st April, 1936, and made between the Company of the one part and The Royal Trust Company as Trustee of the other part, The Royal Trust Company has by drawing selected for redemption on the 5th May, 1938, at 100% of their par value and with accrued interest, debentures bearing the following numbers: 2, 17, 49, 87, 258, 290, 291, 294, 314.

The said debentures will be redeemed and may be delivered up at any branch of The Royal Bank of Canada in the Dominion of Canada.

Each debenture when delivered up, for redemption, must have attached thereto all coupons which are not yet due. Interest on the said debentures will cease to accrue from the 31st day of May, 1938.

THE ROYAL TRUST COMPANY, Trustee.

Where to Go Tonight

(An Advertiser)

ATLAS — W. C. Fields in "The Big Broadcast of 1938."

CAPITOL — Tom Kelly in "The Adventures of Tom Sawyer."

COLUMBIA — "Colorado Kid," starring Bob Steele.

DOMINION — Robert Montgomery and Virginia Bruce in "The First Hundred Years."

OAK BAY — Cedric Hardwicke in "King Solomon's Mines."

PLAZA — "Venus Makes Trouble," starring James Dunn and Patricia Ellis.

"Stand-in" Will Be Here Monday

Another aspirant for screen honors made the hard leap from "heavy" to "hero" when Mac was given his first sympathetic movie role in Walter Wanger's "Stand-in," playing opposite to Leslie Howard, Joan Blondell and Humphrey Bogart at the Plaza Theatre on Monday.

Mac is the black Scotty who wrecked wire-haired Asta's happy home in "After the Thin Man" and appeared doomed to a succession of third-side-of-the-triangle characterizations.

Tennis League Meeting Tonight

The Vancouver Island Tennis League will hold its annual meeting this evening at 8 in the offices of Dr. A. Poyntz, Sayward Building, at 8.15. A new slate of officers will be elected and plans shaped for the coming year. Plans will also be discussed regarding the continuance of coaching for junior players. President Reg Corfield will be in the chair.

Eagles Nominate 1938-39 Officers

The Victoria Aerle No. 12, Fraternal Order of Eagles, met last evening at the headquarters, 1319 Government Street, to nominate their officers for 1938-39.

The following persons were nominated for the respective offices: P. Babcock, junior past president; A. L. Andrews and J. R. Graham, president; C. H. Lester and D. Essler, vice-president; P. J. Haywards, chaplain; George Rees, conductor; F. Wilmshurst, inside guard; George Foster, outside guard; A. Pynn, trustee; F. LeRoy and W. Bridgwood, treasurer; Dr. A. D. Betchel, Aerle physician.

D. Essler and H. R. McDonald were awarded prizes for good attendance during the past four months.

P. Babcock, president, announced that the election of officers for the next term will be held at the next meeting on Wednesday, May 4, and also requested a large turnout at this meeting.

Potato Growers Ask New Board

DUNCAN—Potato growers of the Cowichan district, at a meeting Monday, passed a resolution asking the Minister of Agriculture to take necessary steps so producers can elect a new B.C. Coast Vegetable Marketing Board.

It was stated the Ladder potato growers recently asked for the resignation of the marketing board.

After hearing from Col. McLeellan and A. Petersen, of the marketing board, the meeting named a committee of F. Floyd, M. Wilson and B. Young, to take up the question of quotas with the board.

Several growers expressed dissatisfaction with the prices they received for their potatoes, but a resolution to oppose marketing control as unworkable and impracticable was defeated by one vote after a tie result had been reached on the first ballot.

Haggard Novel At the Oak Bay

Thousands of giant Zulus, armed with flame-tipped spears, battling to the death, with the lives of five European adventurers, four men and a woman, and the wealth of the fabulous mines of Ophir at stake, furnish the big scene in "King Solomon's Mines," the Gaumont version of the Rider Haggard romance, which will open at the Oak Bay Theatre today, with a distinguished cast headed by Sir Cedric Hardwicke, Paul Robeson, Anna Lee, Roland Young and John Loder.

"King Solomon's Mines" was directed by Robert Stevenson. The scenario is the work of Roland Pertwee. Bernard Knowles was the head cameraman.

Columbia Shows "Colorado Kid"

Ernie Adams and Ted Adams, who have appeared together in featured roles in more western productions than they can count, are no relation in real life. They are fast friends even though very often one portrays a virtuous role while the other is a villain.

The latest production in which the two are featured together is "Colorado Kid," Republic release now showing at the Columbia Theatre starring Bob Steele.

Included in the supporting cast in addition to the Adamses, Ernie and Ted, are Karl Hackett, Marion Weldon, Frank La Rue, Horace Murphy, Bud Buster, and many others.

James Cagney in "Great Guy," is also on the bill.

Amazing Run For "Victoria Regina"

After playing for two full seasons in New York—517 performances to be specific—Helen Hayes, in "Victoria Regina," comes to the Royal Victoria Theatre for one performance on Thursday, May 5.

The present coast-to-coast tour started last autumn in Hartford, Conn., and will terminate in June in Los Angeles. Forty-two playing weeks were scheduled for the company at the start, and more than half of that number will have been played by the time "Victoria Regina" reaches here. More than 13,000 miles will have been traveled by the time the troupe returns to Broadway, its starting point.

Since its opening at the Broadhurst Theatre in New York on December 26, 1935, "Victoria Regina" has become the magnet for some 900,000 persons, drawn to it mainly by the extraordinary performance of Miss Hayes. By now \$2,000,000 have passed through the box office.

Pretty Minuets Will Be Danced

"From Minuet to Modern Motif" typifies how dancing has altered from the graceful leasured dances of a past generation to the lively measures of the present day.

Much thought and care has been expended in creating the elaborate and beautiful frocks worn in the Minuet. Everybody delights in a reproduction of that period and songs such as "Ta-ra-ra-boom-de-ay" will bring back happy memories.

Present-day dances will be represented by such novelties as toe-tap, exhibition, waltz, filler routine concluding with a very tricky tap dance by Gwen Cox, one of Victoria's leading exponents of this type of dancing.

The above scenes will be shown at Dorothy Cox's Dance Display on Friday evening at the Shrine Auditorium.

"TOM SAWYER" AT CAPITOL

Famous Mark Twain Story, With Splendid Cast, Opens Here Today

Just as if they had stepped out of the pages of Mark Twain's beloved book, "The Adventures of Tom Sawyer," the characters of that famous story will appear at the Capitol Theatre, starting today.

With showing of the technicolor picture, "The Adventures of Tom Sawyer," will come Tom Sawyer, Huckleberry Finn, Aunt Polly, Muff Potter, Becky Thatcher and Injun Joe.

Their parts are taken respectively by Tom Kelly, chosen from 25,000 aspirants for the part; Jackie Moran, May Robson, Walter Brennan, Ann Gillis and Victor Jory.

The picture, which, in black and white would be a great film, is superb in technicolor-dress, and is a triumph of entertainment.

Dorothy Lamour Here Tomorrow

An alluring and mysterious island in the South Seas, filmed for the first time in breath-taking Technicolor, forms the background for the new Ray Milland-Dorothy Lamour romance, "Her Jungle Love," which Paramount will present tomorrow at the Dominion Theatre.

In the same spirit as the spectacular "Jungle Princess" of a season ago, "Her Jungle Love" tells a romantic story of a handsome young aviator who is cast away on a deserted South Seas island only to discover that its only other inhabitant is a lovely girl who has never before laid eyes on a white man.

Robert Taylor To Appear at Atlas

Replete with action, laughs and fine characterizations, "A Yank at Oxford," coming tomorrow to the Atlas Theatre, offers Robert Taylor his most convincing role to date and more than repays Metro-Goldwyn-Mayer for the time and effort spent in producing in England pictures equal in calibre to any made in Hollywood. This is the studio's first British-made production.

Dominion Shows Range Serial

Movie fans who pride themselves in their ability as puzzle-solvers will find "The Lone Ranger" an ideal testing ground! "The Lone Ranger" is unique in the fact that it is the most expensive picture of its type ever made. It is a fast-moving, dramatic epic, with the history of Old Texas during the post Civil War period utilized as a background.

How the Ranger eventually succeeds in his purpose is the basis of the most thrilling serial ever produced. His identity, always unrevealed, nevertheless is conveyed to audiences as being a man of unusual fighting ability.

Home of Joseph Rose Ltd. Today

Pictured above are the beautifully-appointed premises Joseph Rose Limited now occupies, after leaving the Government Street store, in which it was located for the last 19½ years.

FAVOR PRESTON FOR CUP FINAL

(Continued from Page 9)

over West Ham, and followed it with a 2 to 0 second-round victory over Leicester. Arsenal and Brentford bowed out of the tournament by 1 to 0 and 3 to 0 scores. In the semi-final Aston Villa, second division club in line for promotion, held the major league to a 2 to 1 score.

Huddersfield's early-round record isn't so impressive. In order they defeated Hull City 2 to 1, Notts County 1 to 0, Liverpool 1 to 0 and then tangled with York City, a gaiter-northern section, third division team, who forced an extra game. The first match ended in a scoreless deadlock, the second resulting in a 2 to 1 victory for the Town. Huddersfield surprised in the semi-final with a 3 to 1 decision over Sunderland.

In league play this year the Yorkshiremen have disappointed. While Preston has forged to a place among championship contenders, Huddersfield fell away badly after the New Year.

BLASTING GIANTS IN TIE FOR LEAGUE LEAD

(Continued from Page 9)

started without a hit until he connected for a couple in last night's game, to drive in two runs.

Portland popped to the top of the league standings, replacing Los Angeles, by defeating Oakland, 4 to 2. Bill Thomas' big curve, which tempted 10 Oakland batters to swing for strikeouts, was a big factor in the Beavers' victory.

Los Angeles, in slipping to second in the standings, dropped a 4 to 3 decision to Hollywood when Bill Norman blasted the ball out of the lot in the eighth for what proved to be the winning tally.

Freddie Muller of Seattle also broke up a nice tight game with a ninth-inning circuit clout, which sent a runner in ahead of him and defeated Sacramento, 8 to 6. Dab Williams of Sacramento had tied the count at 6 to 6, with a homer and a mate on base in the sixth.

Coast Members On C.P. Board

K. C. Drury and M. E. Nichols Elected; H. P. Duchemin, Sydney, President

TORONTO (CP)—H. P. Duchemin, K.C., managing-director of the Sydney Post-Record, will serve another year as president of the Canadian Press. He was re-elected at a meeting of the board of directors yesterday which followed election of the board itself at the annual meeting of the association members.

The following officers also were re-elected: Honorary president, M. E. Nichols, Vancouver Province; first vice-president, W. Rupert Davies, Kingston Whig-Standard; second vice-president, J. A. McNeil, Montreal Gazette.

The board of directors was elected at the annual meeting as follows:

British Columbia—Kenneth C. Drury, Victoria Times, and M. E. Nichols, Vancouver Province.
Alberta—Senator W. A. Buchanan, Lethbridge Herald, and John M. Imrie, Edmonton Journal.

Saskatchewan—D. B. Macrae, Regina Leader-Post, and Thomas Miller, Moose Jaw Times-Herald.
Manitoba and Ontario (Port Arthur West)—W. McCurdy, Winnipeg Tribune, and Victor Sifton, Winnipeg Free Press.

Ontario—W. Rupert Davies, Kingston Whig-Standard; A. R. Ford, London Free Press; H. M. Hueston, Sarnia Canadian Observer; E. Norman Smith, Ottawa Journal; W. B. Preston, Brantford Expositor; E. George Smith, Toronto Globe and Mail.

Quebec—Henri Gagnon, Quebec Le Soleil; Oswald Maynard, Montreal La Presse; E. J. Archibald, Montreal Star; J. A. McNeil, Montreal Gazette.

Maritime—Senator W. H. Dennis, Halifax Herald; H. P. Duchemin, Sydney Post-Record; H. P. Robinson, Saint John Times-Globe.
C. A. Day is treasurer and J. F. Livesay, general manager.

Nanaimo Man Is Found Dead

NANAIMO — The body of Joseph Dobson, 64, was found in Nanaimo River at 7.30 last night by two youths, Henry Beatty and James Yanda. Half a mile above Nanaimo River Bridge the boys saw Mr. Dobson's car standing near the bank of the river, and forty feet away they saw Mr. Dobson's body, partially submerged.

They notified police and Constable H. Daubney, responding, pulled the body, which was in about two feet of water, to the bank.

Mr. Dobson was born in Durham County, England, coming here in 1888. He worked for many years with his father, Thomas Dobson, in the Nanaimo Foundry, ownership of which he acquired some years ago.

Prices Rise As Wheat Menaced

WINNIPEG (CP)—Threats of army worms, grasshoppers and rust in the United States south-west winter wheat belt and above average durum export buying caused Winnipeg wheat futures to move slightly higher today.

Final quotations were ¼ to ½ cent higher, May \$1.20, July \$1.10½, October 89½ cents.

Volume was small and prices slowly recovered from opening fractional declines. Gains of almost a cent were posted near the close.

There was good buying of May futures by export interests.

Investors regained confidence on reports Italy was attempting to barter for Argentine wheat, and Oklahoma farmers reports that they are preparing to fight army worm and grasshopper invasions. They also reported actual rust damage to winter wheat.

Liverpool closed ¼ to ½ higher. Buenos Aires at noon was ½ to ¾ cent up.

Red spring wheat dealings were slow, but spreads remained unchanged. Good export interest in durums accounted for a 2-cent spread improvement for No. 2 grade at one time.

Coarse grains futures moved narrowly in a drab session.

WAGE DISPUTE BEFORE BOARD

NANAIMO—The conciliation board appointed to arbitrate the wage dispute and labor conditions between the miners of Vancouver Island and the coal operators, under the chairmanship of L. W. Brockington, K.C., of Winnipeg, held its second meeting in Nanaimo yesterday and then adjourned to Vancouver for a meeting there today. It is understood that no decision of a final meeting is held in Winnipeg next week.

More Patients At Duncan Treated

DUNCAN — At the monthly board meeting of Duncan Hospital the financial report showed revenue for the month of \$6,351.25 against expenditure of \$6,653.07. A total of 123 patients were admitted and 1,897 days' treatment given, a daily average of 61. The per capita cost was \$53.19. A comparative statement for the first three months of the year showed an increase of 50 in the number of patients admitted, about 14 per cent. Major operations increased from 38 to 51. Births showed a slight decrease, 39 against 43 for the same period.

On May 15, Hospital Sunday, the hospital will be open for public inspection. A linen shower will be held.

CHICAGO—Wheat prices averaged slightly higher in Chicago today, notwithstanding a transient minor setback to the bottom-most record in four years.

A somewhat stimulating factor was rapid reduction shown in the aggregate of uncompleted May contracts here. Latest figures indicated a 1,734,000 bushels curtailment in 24 hours.

At the close, Chicago wheat futures were unchanged to ½ above yesterday's finish: May 80½ to 81½, July 80½ to 81½, corn ½ off to ¾ up, May 58½ to 59½, July 60½ and oats ¼ decline to ½ advance.

Romance Develops On Cruise Liner

VANCOUVER—James A. Fitzpatrick of New York, globe-trotting producer of the screen's Fitzpatrick Travel-Talks, and Miss Lesley Champlin, comely 23-year-old daughter of Mr. and Mrs. Harry Champlin of Evanston, Ill., have become engaged as the result of a shipboard romance aboard the world-cruising Canadian Pacific flagship Empress of Britain.

Fitzpatrick boarded the cruise liner January 9 for the whole itinerary and has been making pictures throughout the cruise, while Miss Champlin boarded the ship at Hongkong.

News of the engagement came from the ship by wireless today.

CARS DERAILED

SUBBURY, Ont., (CP)—Engineer Buncombe of Chapleau, Ont., was injured slightly early today when the engine and 14 freight cars on the Toronto-Winnipeg freight were derailed on the Canadian Pacific Railway main line, about 200 miles north-west of here.

Auxiliary crews went to the wreck from Chapleau and White River to make track repairs and re-establish telegraph communication, disrupted when the cars tore down several poles along the right-of-way.

Cause of the derailment was not immediately known.

PREPARE FOR FIRST TRIP

Trans-Canada Air Lines to Make Inaugural Flight May 15

OTTAWA (CP)—Express and mail services on a commercial basis will be opened by the Trans-Canada Air Lines between Winnipeg and Vancouver May 15, Hon. C. D. Howe, Minister of Transport, told the Commons railway committee yesterday.

So far as eastern Canada is concerned, extension of the service will depend on the rapidly with which equipment is delivered and other facilities completed.

At present regular flying schedules are maintained each way, daily between Winnipeg and Vancouver, while night flights are being made from Winnipeg to Regina to experience pilots in that type of flying. The first leg of the Trans-Canada east of Winnipeg will be to Kapuskasing, Ont.

Equipment deliveries had been delayed, said Mr. Howe, but two of the 10 new Lockheed planes, "the last word in flying equipment," had been received with the remainder to be delivered not later than September.

The planes provided accommodation for 12 passengers and two pilots, but the company intended restricting the numbers to 10 on 12-passenger machines and eight on 10-passenger planes.

Answering W. A. Walsh (Con. Mount Royal), the minister said services to the Maritime Provinces would be established after the leg from Kapuskasing to Montreal had been completed.

The minister explained the agreement under which Canada participated in the Trans-Atlantic service.

A company is being formed, with the British Government holding 51 per cent of the stock, and Canada 24½ per cent each. Each country designates its operating company, in the case of the United Kingdom, Imperial Airways, and Trans-Canada Air Lines in Canada's case.

The committee adopted the annual report of the Canadian National Railways, the Canadian National (West Indies) Steamships Ltd., the first annual report of the Trans-Canada Air Lines, and the annual report of the Canadian National Railways Securities Trust.

At World Ports

Arrived—London, April 25, City of Baltimore, from Baltimore; Marseille, April 25, Excalibur, New York; Liverpool, April 26, American Importer, New York; Hamburg, April 25, President Harding, New York; Plymouth, April 26, Manhattan, New York; Valparaiso, April 27, Santa Lucia, New York; Cherbourg, April 26, Aquitania, New York; Southampton, April 25, Westernland, New York; Cobh, April 26, Deutschland, New York; Antwerp, April 26, Westernland, New York; Buenos Aires, April 27, American Legion, New York.

Sailed—Southampton, Cherbourg, April 26, Europa, for New York; Gibraltar, April 27, Vulcania, New York; Hamburg, April 27, President Harding, New York; April 24, City of Havre, Norfolk; Manila, April 25, Empress of Canada, Victoria, B.C.; Melbourne, April 25, Mariposa, San Francisco; Yokohama, April 23, Empress of Asia, Victoria, B.C.; New York, April 27, Ile de France, Havre; President Roosevelt, Hamburg.

Newport, April 26, Blair Angus, from Vancouver; Liverpool, April 26, Borgestad, Los Angeles; Laurits Swenson, San Francisco; London, April 25, Pacific Reliance, San Francisco; Antwerp, April 25, Vancouver, San Francisco; Melbourne, April 24, Toller, San Francisco; Lisbon, April 24, Athina Livanos, Portland, Ore.; Havre, April 24, Schwaben, San Francisco; Dunedin, April 24, Hauraki, San Francisco; New York, April 27, Azumasan Maru, Los Angeles.

Sailed—Antwerp, April 25, San Jose, for Vancouver; Manila, April 25, Fernglen, Los Angeles.

CANAL MOVEMENTS

Panama Canal, April 27 (AP)—Passed east: Santa Elena, Cartagena for New York.

Passed west: Acor (Pan.), Galveston for Los Angeles and the Orient; Willmot, Jacksonville for San Diego; Panaman, New York for Los Angeles; Drechtyk (Dutch), Rotterdam for Los Angeles and San Francisco.

"PRODUCTION" TAX

EDMONTON (CP)—Proposal to apply a "production" tax in Alberta prompted a lady in Raymond to ask: "Does that mean there will be a tax on babies?" Hon. Solon told an audience here last night: His smiling reply to the query had been "No, not yet."

Ninety-five out of a hundred persons are right-handed.

PAUL REDFERN STATED DEAD

New York Explorer Returns With This Conviction From South America

GEORGETOWN, British Guiana (AP)—Theodore J. Waldeck, New York explorer, returning from four months of perilous search for trace of Paul Redfern, missing aviator, declared today Redfern was dead.

"I found the place where the plane crashed and definite proof that the gallant aviator is dead," Waldeck said.

He gave no further details of his discovery, saying first he must forward a report to Dr. Frederick C. Redfern of Columbia, S.C., father of the flier. Redfern disappeared in August, 1927, in an attempt to fly non-stop from Brunswick, Georgia, to Brazil. Strange tales have come out of the steaming jungles of British Guiana since then—one saying Redfern had become the "great white god" of a jungle tribe.

Waldeck reported his expedition had reached the border of Venezuela. "But we almost gave up after the death of Dr. Fox and Chandler's illness," he said, referring to Dr. Frederick J. Fox and William Astor Chandler, members of the party.

(Dr. Fox, 59, dermatologist, with offices in New York, died January 6 on Devil's Hole Island, a New York sportsman, was missing at Georgetown February 18, suffering from exposure and fever).

"We suffered terrible hardships," Waldeck added, "but we are satisfied we have at least cleared up the mystery of Paul Redfern."

Waldeck returned to Georgetown with his wife, also a member of the expedition.

Atlantic Travel

Continues Heavy

Travel from British Columbia to the British Isles continues apace during the spring season, and another 30 passengers from the Pacific province are noted for the Canadian Pacific liner Duchess of York, sailing from Montreal, Friday, May 6.

Vancouver passengers include: Mrs. Margaret Brown, Mrs. J. M. Brown, George Milne, K. P. Morrison, Mrs. Agnes Prosser, Miss S. L. Thrupp, Mrs. Ethel M. Robinson, Mrs. C. F. C. Covert, Mrs. Mary Covert, John R. McMin, Miss B. H. Wilson, Mrs. William Starkie, Miss A. K. Robotham, Mrs. E. Fawcett, Mr. and Mrs. C. Watkins, Miss Joyce Watkins, Master David Watkins, Mrs. L. F. Barbour, Master David H. Barbour, Mrs. J. McClure, Mrs. M. Morrison, Miss E. M. Morrison, Mrs. Ada Pike and W. Darlington. From other parts of British Columbia are W. Watts, Mrs. S. A. Barff, Victoria, and Mrs. E. M. Shaw and Miss B. Shaw, likely.

NO PASSES ON NEW AIR LINE

OTTAWA (CP)—Passes will not be issued for free rides on the Trans-Canada Air Lines, Hon. C. D. Howe, Minister of Transport, told the Commons committee on railways yesterday in reply to a question by Olaf Hanson, Liberal, Skeena.

"I hope the Minister will put his foot down very strongly on that," said W. A. Walsh, Conservative, Mount Royal.

"I wouldn't pay any attention to Mr. Walsh," said Mr. Hanson to the Minister amid laughter from the House. "He said he wouldn't dare go up in a plane anyway."

Coastwise Sailings

VICTORIA-VANCOUVER
Princess Charlotte leaves Victoria for Vancouver daily at 1:55 a.m.; arrives Vancouver 6:35 a.m.

Around the Docks

Cargo from Europe and southern California rolled in large quantities from the Royal Mail vessel Lochgoll, Capt. W. C. Tarrant, at the Rithet piers today, following her arrival from sea.

The ship had 200 tons of general from Europe and 200 tons of citrus fruits and fresh vegetables from southern California ports. She was expected to be at the local docks about six hours before proceeding to Vancouver.

Twelve tourist passengers from California were aboard the Lochgoll. They had ample time in which to see some of Victoria's sights before continuing their pleasure voyage.

Orient cargo for Victoria and overland shipment, across Canada, came out of the holds of the American Mail liner President McKinley at the Rithet piers last night.

Capt. Clyde F. Bryant, her master, reported a fine trip across the North Pacific and her 11 passengers had an enjoyable crossing and disembarked, immediately the ship was tied up, to find their land legs after 11 days at sea.

A new company, whose ships will fly the flag of the Philippine Islands, will shortly enter trans-Pacific service with the vessels Sagoland, Summa, Don Jose, Paz, Binn and Sydneyland. The Don Jose was formerly the Robert Dollar and the Susana was the Stanley Dollar.

King Brothers expect the freighter Knute Nelson at Ogden Point tomorrow morning to load a parcel of Vancouver Island lumber. The Geddington Court, and the Chr. Knudsen were posted to sail for Vancouver late this afternoon after taking lumber here for the United Kingdom.

On Sunday King Brothers expect Ms. Pacific Enterprise of the Furness Line, here from England.

SAN FRANCISCO — The Matson liner Lurline wireless yesterday she had made an emergency transfer at sea of Elmal Wilhelm, engineer of the yacht Southern Cross, who was suddenly stricken ill. The transfer was made in the morning, 875 miles southwest of San Francisco. The man will be brought here for treatment.

NEW JAPANESE SHIPS
TOKIO (CP-Havas) — Nippon Yusen Kaisha (N.Y.K.), Japan's biggest shipping company, yesterday announced plans to build 21 new vessels totaling 221,600 tons.

Pilots' Lookout

President McKinley (American), left Victoria, bound Seattle, from Orient ports, 2 a.m.
Hartbridge (British), off Trail Island, bound Puget Sound, from Nanoose, 4 a.m.

Wellington Court (British), passed Victoria, outbound, 5:30 a.m.

Axel Johnson (Swedish), passed Victoria, bound Vancouver, 6:45 a.m.
Oakland (German), passed Victoria, bound Vancouver, 10 a.m.
Albertolite (British), passed Victoria, outbound, 10:45 a.m.
Lochgoll (British), arrived Victoria, from Europe, 1:30 p.m.

CAPT. GOSSE DIED TODAY

(Continued from Page 1) a.

One of Capt. Gosse's most memorable experiences was when he piloted Vihjalmus Stefansson's vessel, the Karluk, out of Esquimaux harbor to Alaska. In 1914, when the noted explorer sailed on his Arctic expedition.

During the gold rush years in the Yukon, Capt. Gosse was master of such well-known old ships as the Amur, Princess May and Tees.

SPECIAL PILOT
In 1903 Capt. Gosse entered the pilotage service and at first piloted ships in the Nanaimo district. Eight years later he was named special pilot to the Blue Funnel Line, piloting its ships from Victoria to Vancouver.

Union Bay, where they bunkered and took them as far as the international boundary; when they were proceeding to Seattle.

Eleven years ago he moved to Vancouver. A few months after his retirement, Capt. and Mrs. Gosse, who were married in Newfoundland in 1889, left by Ss. Talthybius on a tour of Orient countries.

Two of Capt. Gosse's sons followed in the footsteps of their father and went to sea. Frank Gosse was lost when Ss. Princess Sophia went down in the Lynn Canal in 1918. Capt. Walter Gosse is now attached to the pilotage staff and makes his home in Vancouver.

Other children are: Harry in Seattle, Dr. Joseph in New Westminster, Mrs. Homer Alexander and Mrs. Douglas Loece in Vancouver, Gertrude and Dorothy at home in Vancouver with their mother. Another son, Louis Gosse, died in Victoria a few years ago. There are also six grandchildren.

The funeral will be held in Victoria on Saturday with interment in the family plot at Ross Bay Cemetery.

Technocrat Makes Tour of Island

C. J. Large, Vancouver sectional organizer of technocracy, arrived in Victoria this morning by car from Duncan, concluding a round trip tour of Vancouver Island, during which he visited Port Alberni, Courtenay, Nanaimo and Duncan, at which points addresses were delivered by him, indicating technocracy's findings in regard to the problems which are facing society on the North American continent, due to the displacement of man-hour by the more efficient kilowatt hours. "Why expect industry to employ a man when he is capable of converting energy at the rate of 1/10th horsepower only, and pay him 25 cents an hour, when industry can employ a kilowatt hour for two cents, and it is 13 times as efficient?" is among the points Mr. Large has emphasized.

Mr. Large was accompanied up island by O. Corbett, director of the Victoria section; Mrs. Corbett and Herbert Clark, Victoria chief of staff. The island tour will be completed tonight with a public meeting in the K. of C. Hall at 8, when Mr. Large will make "an appeal to youth and adult."

PHYSICIST VISITS

Dr. D. A. Jackson, an outstanding physicist, who is associated with the Clarendon Laboratory of Oxford, England, has been spending a few days in the city. With Mrs. Jackson, he left England one month ago and has been visiting scientific centres in the United States, coming here from the Mount Wilson and Lick Observatories. On Wednesday he addressed the members of the staff of the Dominion Astrophysical Observatory on his recent work on the hyperfine structure of the resonance lines of potassium. He was greatly interested in the work of the observatory, and discussions of mutual problems were very helpful on both sides. He left on this afternoon's boat on his return trip and will lecture at Columbia University, New York, before returning to England.

NEW JAPANESE SHIPS

TOKIO (CP-Havas) — Nippon Yusen Kaisha (N.Y.K.), Japan's biggest shipping company, yesterday announced plans to build 21 new vessels totaling 221,600 tons.

FOR PEARL SOAP COUPONS

Pearl White Naptha Soap loosens even ingrained dirt with only the lightest rubbing. Actual tests made by housewives proved that clothes washed with Pearl Soap are brilliantly white in contrast with ordinary washing. Pearl Soap is more economical, too—it's quicker, richer suds last longer.

Here's Another Gift!

A well-made, sturdy mixing spoon for the kitchen, smartly modern, and always useful. Yours FREE in exchange for only a few Pearl Soap coupons.
